Essay and poems from *Details: The Poetic Language of God*

1. What comes to mind when you think of *lingering*? Is it a positive or negative concept to you and why?

2. How have you seen the practice of lingering with God overlap with learning to trust Him in your everyday life?

3. What is one way you can pause and spend time being still with God today? Come back and write about your experience afterwards.

"*The Lord is my shepherd. I lack nothing. He lets me rest in grassy meadows; he leads me to restful waters*." **Psalm 23:1-2 CEB**
