Changing Your Perspective on Obedience (Part 2)

This Beloved Road Vol. II: Into the Source

1. What has God asked you to do that seemed/seems foolish?

2. How have you seen the foolish things turn out to be God's wisdom?

3. How has your obedience shown you that God is worthy of your trust?

4. What is one step of obedience you can take today to walk with the Holy Spirit as He guides your steps?

"Wisdom is shown to be right by its results." **Matthew 11:19b NLT**
