HIGH SCHOOL ATHLETIC PROGRAM 2025-2026

Message from the AD, Teaching Life Skills through Athletics

At AHS we offer a wide variety of extra-curricular athletic activities. Our purpose in providing so many opportunities is to give all of our students a chance to participate in some capacity. We believe that the sports arena is an extension of the classroom that adds an important element to a holistic education. Our coaches and staff are committed to developing the whole person. While they are involved in our programs, we will help our student-athletes learn valuable lessons that can be applied throughout their lives. We will strive to be part of the team of family members, educators, and community that assist our young people to achieve their dreams as healthy, happy, productive adults. We will work hard, play hard, and have fun as we come together to reach our full potential.

We thank the citizens of Ashland for their unparalleled belief in our programs and your support is felt throughout school and community!

Jason D. Goings, M.Ed.
Athletic Director/Assistant Principal • Ashland High School

From the Principal

Welcome to Community Stadium and the start of the 2025-26 sports season!

The Ashland City School athletic program is steeped in tradition. Many of you share with our athletes the experience of competing on these fields and courts. This makes competing something extra special for our young Arrows. Thank you for all of the support you provide partnering in our mission of helping all students build the skills they need to be successful contributing members of our community. GO ARROWS!! A SPECIAL ARROW SALUTE TO ...

Brandon Briggs is the son of Stefanie Vassalle and Kevin Briggs. Brandon has been a starter for the Arrows the last two years at center and this year will also play more defensive line. He had a very productive 2024 season on the field for which he gained many post-season honors. He has been one of our most dedicated and hardest workers in the weight room this offseason. He has also put in extra time working position specific drills.

Brandon

Briggs

Brandon's hard work and dedication over the years led to him being elected one of our captains by his teammates. The Arrows will need Brandon to continue his production on the field for them to be successful. Brandon is also a thrower on the track team and attends Young Life. After high school, Brandon's future plans include becoming a lawyer.

FOOTBALL

Kaydence Stoll is the daughter of Kara and John Akers. This is Kaydence's fourth year on the cheer team. She is a great teammate and role model. She is also a great leader and has a positive attitude. When Kaydence isn't cheering, she is playing varsity softball for AHS or working as a care aide. Her future plans involve going to Akron University to pursue a bachelor of Science in Nursing (BSN).

CHEER

Alexandria Siegenthaler is the daughter of Shannon Roberts. Alex is one of the most reliable and nicest students the band has ever had. Her bubbly personality and attitude is infectious throughout the band. She has led and recruited for the band in many ways. If she can't complete a task, she will work continuously until successful. She will surely be missed by the band, and specifically her section when she graduates.

Alex is the tuba/sousaphone

section leader in the marching band and is also in symphonic band as well as Community Theater. Alex plans to go to college and earn a degree in forensic examination after she graduates.
