HIGH SCHOOL ATHLETIC PROGRAM 2026-2027

Message from the AD, Teaching Life Skills through Athletics

At AHS we offer a wide variety of extra-curricular athletic activities. Our purpose in providing so many opportunities is to give all of our students a chance to participate in some capacity. We believe that the sports arena is an extension of the classroom that adds an important element to a holistic education. Our coaches and staff are committed to developing the whole person. While they are involved in our programs, we will help our student-athletes learn valuable lessons that can be applied throughout their lives. We will strive to be part of the team of family members, educators, and community that assist our young people to achieve their dreams as healthy, happy, productive adults. We will work hard, play hard, and have fun as we come together to reach our full potential.

We thank the citizens of Ashland for their unparalleled belief in our programs and your support is felt throughout school and community!

Jason D. Goings, M.Ed.
Athletic Director/Assistant Principal • Ashland High School

From the Principal

A SPECIAL ARROW SALUTE TO ...

Killian O'Brien is the son of Stiles and Jenny O'Brien. Killian has been a starter for the Arrows the last three years at corner and the last two years at receiver. He had a very productive 2025 season on the field, for which he gained many post-season honors. He has been one of our most dedicated and hardest workers in the weight room this offseason. He also put in extra time working on position specific drills. Killian's hard work and dedication over the years led to him being elected one of our captains by his teammates. Killian also participates in basketball and track during the school year. His future plans include playing college football while majoring in education and coaching. The Arrows will need Killian to continue his production on the field for them to be successful.

**Rosey's number 45 memorialized
by the AHS Class of '66
August 26, 2016**

Originally, this large plaque memorializing Rosey's amazing accomplishment was placed to the right of the scoreboard in Community Stadium. In July of 2020, the AHS Class of '66 moved it to Rosey's Memorial Hall in the Keith Wygant Memorial Field House.

2026

As of the end of the 2025 football season, his four records were still standing—after sixty years. That called for a new smaller plaque to be added to the hall.
