HIGH SCHOOL ATHLETIC PROGRAM 2024-2025

ARROWGRAM

From Jason Goings, Athletic Director

Welcome to Arrow Arena for tonight's first OCC matchup between your Ashland Arrows and the Madison Rams. The Rams come into tonight's contest with an overall record of 4-7 and are currently 1-4 in OCC action.

Your Ashland Arrows come into this contest with an overall record of 6-4 and a league score of 2-3. The Arrows will look to even out that conference record against the Rams and take that momentum into their double weekend.

Over the weekend your Arrows split a pair of contests dropping a game to Lexington on Friday night then righting the ship to get a win over Ontario on Saturday night. On Friday versus Lexington Paxon Ediger scored a game high 26 points despite the Arrows woeful shooting performance. On Saturday the Arrows saw a more balanced scoring attack with four Arrows in double digits led by Ediger with 15, Garrett Davis dropped 13, and Gabe Baith and Reed Emmons had 10 points each.

The Athletic Department would like to wish each of you and your families a Happy and Prosperous New Year!

Good Luck to both teams and stay healthy.

Message from the AD, Teaching Life Skills through Athletics

At AHS we offer a wide variety of extra-curricular athletic activities. Our purpose in providing so many opportunities is to give all of our students a chance to participate in some capacity. We believe that the sports arena is an extension of the classroom that adds an important element to a holistic education. Our coaches and staff are committed to developing the whole person. While they are involved in our programs, we will help our student-athletes learn valuable lessons that can be applied throughout their lives. We will strive to be part of the team of family members, educators, and community that assist our young people to achieve their dreams as healthy, happy, productive adults. We will work hard, play hard, and have fun as we come together to reach our full potential.

We thank the citizens of Ashland for their unparalleled belief in our programs and your support is felt throughout our school and community!

Jason D. Goings, M.Ed.
Athletic Director/Assistant Principal • Ashland High School

From the Principal

**Welcome to Arrow Arena and the start of the
2024-2025 sports seasons!!**

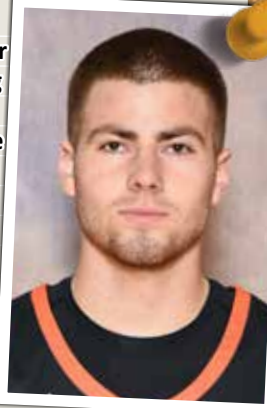

The Ashland City School athletic program is steeped in tradition. Many of you share with our athletes the experience of competing on these courts. This makes competing something extra special for our young Arrows. Thank you for all of the support you provide partnering in our mission of helping all students build the skills they need to be successful contributing members of our community. Arrow athletics is a big reason why Ashland graduates are exactly what our nation needs in this century! **GO ARROWS!! Josh Packard**

Basketball Coach's Corner - Jan. 7, 2025 - Madison

I would like to welcome Coach Davey Hipp and the Madison Rams to Arrow Arena for tonight's OCC matchup. The Rams play extremely hard and are a very tough physical team. They are well coached and play very aggressive defense. We will need to attack their pressure and control the tempo. It will be important for us to disrupt their offense and try and get out in transition to get some easy baskets. It should be another highly competitive and close basketball game as it always seems to come down to one or two possessions against the Rams. Good Luck to both teams and GO ARROWS!

A SPECIAL ARROW SALUTE TO ...

Nathan Bernhard is the son of Matt and Tricia Bernhard. Nathan is a junior on the varsity basketball team playing as a center. Nathan is a tremendous athlete who brings a physical presence to our team. He can score inside and out which makes him a very difficult matchup for opponents. Nathan is able to defend all positions as well. Nathan is also on the Varsity track team and is a Varsity Arrow football player. After he graduates in 2026, he plans to continue his career playing football in college.

BASKETBALL

Mira Bechtol is the daughter of Steve and Leah Bechtol. She is a senior on the varsity cheer team. Mira is an absolute gem. She joined us as a junior last year, and it's been amazing to see her evolve into such a confident and skilled cheerleader. We've been so fortunate to have her on the team. Mira is always looking out for others and spreading kindness wherever she goes. This year, she's really stepped up as a leader, showing what it means to be dedicated and hardworking. She sets an incredible example for the team with her positivity, kindness, and commitment to excellence. We'll certainly miss her bright presence. She is actively involved in a variety of other school and community activities. She's a proud member of the National Honor Society, where she demonstrates her commitment to academic excellence and leadership. Mira also participates in 4-H, where she continues to grow her passion for service and agriculture. Beyond that, she is deeply involved in community service, always finding ways to give back and make a positive impact. She plans to attend college and pursue a degree in language and hearing sciences, with a goal of becoming a speech pathologist. "Thank you to my parents for supporting me in everything I do, and shout-out to Wyatt, Hadley, and Hazel for being the best siblings ever."

CHEER

Hailey Rowe is the daughter of Jody Rowe and Chad Rowe. Hailey was selected for this week's Arrow Salute because she is a strong leader and competitor. She is the vocal leader of the team and always puts the team over herself. Hailey has improved tremendously from never really bowling before to being one of the top bowlers on the team with an average of 192. She has lettered all four years of high school. Hailey is also a member of the LTI program and does a great job working in the Guidance office and Athletic office at AHS. After graduation, she plans to attend Akron University and double major in accounting and personal finance while continuing to bowl.

Hailey Rowe

BOWLING

Aiden Puckett is the son of Art and Heather Puckett. Aiden is a senior returning varsity letterwinner for the Ashland Arrows Swim team. Aiden focuses mostly on the sprint freestyle events; however, can be counted on to score in other events as well. He has shown an incredible amount of dedication to his training as he has worked tirelessly over this past summer on his own to improve his starts and turns. He scored for the Arrows at our conference meet last season and is looking to improve his placing at OCC in January. We are excited to see his progress this season and look forward to Aiden's postseason meets. He has been very busy throughout his high school years participating in cross country and track as well as football. Aiden also attends the career center and plans to become a firefighter.

LOOKING BACKWARD IN AHS BASKETBALL 117TH YEAR

The 2024-2025 Season is the 117th year of Ashland basketball. The Orange and Black squads have won 1310 games and have lost 935 times. The AHS quintets won the Northern Central Ohio League 11 times, the Cardinal Conference 10 times, the Ohio Heartland Conference twice, and the Ohio Cardinal Conference twice. This will be the 17th year in the OCC. In tournament play they have won the Sectional or District 23 times, and four times they have advanced in State. In 1932, 1936, 1937, and 1941 the state tournament was the Sweet 16. The entire history is located on the website: www.centuryarrowsbkb.com.

2019-2020 - The Arrows, without two injured starters, won Sectional title for the 17th time in school's history. However, the high point of the season was two wins over Mansfield Senior in four days. The 29-point margin (67-38) at Arrow Arena was the largest Ashland blowout in the 225-game series. The leading scorers for the Arrows were: Co-MVPs and OCC First-Teamers Mitch Heilman (433 pts.-65 three's) and Luke Denbow (18.2 ppg in 18 games). Second-Team OCC Eli White scored 328 points. Freshman, Grayson Steury, dropped in 197 points. Brandon Utt received the George Valentine Sportsmanship award.

2004-2005 - In his final season at Ashland, Coach Chris Stokes took his team to the Sectional finals for the sixth time in seven years. Freshman Taylor Housewright inspired a 1:39 six-point comeback to gain an overtime win over Marion Harding when he fed Anthony Bell for the winning basket. It gave the A's the chance to face the eighth ranked Mansfield with 19-consecutive wins in the finals. It was the Tygers again for the 23rd tournament ending time for Ashland. The team's MVP, Anthony Bell, led in scoring (410 pts), rebounds (136), and shooting (FGs 52% and FTs 73%). Dan Hess set the school record with 68 three's for the season and 123 for his career topping Chad Honaker's. Scott Heimann had 82 assists. Coach Stokes, whose teams had won one OHC, the Sectional and District twice, and a record of 96-62 (.608), moved to his third head-coaching job, as the mentor of the OCC rivals the Wooster Generals.

1994-1995 - The A's played against three state tournament teams (Zanesville, Orrville, and Clyde) and beat a 20th ranked Mount Vernon, but the classic win was at Lexington for the first-ever OHC win against them. Jeff Honaker again was the leading scorer (339 points) and First Team OHC was Co-MVP with Craig Starkey, who was the top rebounder (145) and field goal shooter (62%), plus steals (32). Karl Singleton was the best defensive player for the second year and Matt Timmons was Mr. Hustle again. Jake Stickney had the best free throw percentage (84%). Jeff Gierhart led in three-pointers (25) and assists (111). Jeff Honaker moved into the top 20 on the all-time AHS scoring list. The three Honakers (father Dave and sons Chad and Jeff) moved into second-place on the all-time "family" scoring register with 2448 points behind the four Messner brothers (Dick, Bob, Max, and Jim) with 2625 points.

1984-1985 - Phil Hawk came back to Ashland after coaching at Mansfield St. Peters. The three Mapleton transfers led the team in scoring: MVP Bruce Fagert (255), Chuck Ritchey (225), and Darrell Crall (203). The tri-captains were: Crall, Albert McKinney (118 pts), and Scott Van Scoy (78 pts). The Arrows with only one conference win, upset the CC champs, the Madison Rams, in the Sectional opener on Scott Shilling's tremendous 26-point evening (and 199 pts for the season). The A's almost beat Mansfield in the Sectional finals, a team that went on to the State finals. This was the only Orange and Black cage team to win a tournament game from 1979 to 1989.

1964-1965 - With one letterman and no senior starters the Arrows could only tie for last in the Cardinal Conference but they did win four of the last seven games. Again, Mansfield ended the tournament trail. Junior letterman Rosey Robinson led the team in scoring with 341 points. But he was just Second Team All-CC. Tom Roberts led the A's in rebounds with 178 boards. Rosey received the Times Gazette MVP award at the banquet and Dick Messner, Grace College AD and coach, who still held the AHS career record back in 1948, was the banquet speaker.

1954-1955 - New coach George Valentine's team came together at the end of the season winning five straight games. The biggest win was the upset of undefeated and ninth ranked Shelby in the Sectional tournament. Three big men inside led the team: Max Messner (315 pts), center Dick Rankin (289 pts), and Tom Enck (268 pts). The guards were Jim Runyon (222 pts) and Dave Brubaker (163 pts). The season again came to the end with the third loss of the season to Mansfield.

1939-1940 - All-NCO forward, Vince Barr, set two scoring records. He broke the NCO record with 163 points and Ray Miller's AHS mark with 260 points for the season. Captain Barr's supporting cast was: Dean Duffey (113 pts), Second Team NCO Bob Howell (103 pts), Honorable Mention NCO Bob Atterholt (97 pts), and center Tom Bear (56 pts). The A's biggest wins for Coach Longley in his third and final season were Mansfield and Marion, which knocked the Prexies out of first place.

1914-1915 - It was the year that AHS had no basketball teams. However, a new high school was under construction on Cottage Street with a new gym on the basement floor next to Fourth Street. It has historically been referred to as the "Girls' Gym." Meanwhile the YMCA continued their four-team City League for high school boys. The potential high school team played as an independent team called the "Tigers." They played a schedule against area opponents from Polk, Lodi, Shreve, and Wooster. The lineup was: Harold Stockwell (12th), Russell Sonners (12th), Clarence Miller (10th), Don Smith (11th), and Henry. The subs were: Marshall Mohn, Wayne McDowell, and Paul Dessenberg.
