Tessie's tidbits...

Hello everyone! I can't believe we're already into the month of November. Where, oh where, did this year go? It seems only a couple of months ago we were enjoying wearing shorts, sitting on the porch with a glass of iced tea, and watching all the seasonal birds fly about.

Oh well, time certainly goes quickly! Now we're awaiting Thanksgiving, then Christmas, and of course, the dreaded January.

After thinking about what Mother Nature has in store for us, I found some cute tidbits to share with you this week:

- A hint to housewives in the New York Post: "Make sure your kitchen range is level; if it's not, the foods cooked in the oven won't burn as evenly as they should."
- In Charlotte, North Carolina, while the TV screen showed a pistol pointed at viewers for the opening of a Western, the audio portion asked, "What do doctors recommend for headaches?"
- The Capital Times in Madison, Wisconsin, printed these two headlines side by side:
"55 Roosters Stolen at Farm in Town of Oregon" and the other, "Social Club to Hold Chicken Supper".

- When a woman telephoned Police Constable Crawford in Owen Sound, Ontario, to report a skunk in her cellar, he advised: "Make a trail of bread crumbs from the basement to the yard and wait for the skunk to follow it outside."

A little later, the woman called back. "I did what you told me. Now I've got two skunks in my cellar."

- Asked what he'd learned at Sunday school, the ten-year-old began, "Well, our teacher told us about when God sent Moses behind the enemy lines to rescue the Israelites from the Egyptians. When they came to the Red Sea, Moses called for the engineers to build a pontoon bridge. After they had all crossed, they looked back and saw the Egyptian tanks coming. Quick as a flash, Moses radioed headquarters on his walkie-talkie to send bombers to blow up the bridge and saved the Israelites."

"Bobby," exclaimed his startled mother, "is that really the way your teacher told the story?"

"Well, not exactly. But if I told it her way, you'd never believe it!"

Hubby was tinkering in his shop last week when a car pulled up at the barn. The driver asked if he could take a photo of our barn, and it turns out the family were descendants of Johnny Appleseed!

How cool is that?

I found the following suggestion for dealing with the coming winter weather and thought it might help as you prepare for those cold days and nights.

Stocking up on essentials is smart during winter storm season. Keep bottled water on hand (a good rule of thumb is at least one gallon per person per day) and plenty of nonperishable food items in case the power goes out. Consider canned fish, beans, vegetables, packaged nuts, and cereal, all of which are fairly nutritious and easy to prepare. It's also wise to have plenty of paper products like toilet paper, paper towels, and paper plates in your stockpile.

I need your help! My folders are empty, and I need some new articles, tidbits, and suggestions. You get the idea. After doing this column for close to forty years, I could really use a hand.

If you collect stories, recipes, clean jokes, or poems, please share them with me. My email is **tessie1@neo.rr.com**, and I'd love to use them if they're in good taste. Thanks!

Finally — Psychiatry: teaching people to stand on their own feet... while they lie on a couch. Often attributed to Freud, though he probably never said it!

Have a great week everyone!

Tessie

Locally Written 'A Christmas Carol' Musical to Debut at Ohio Theatre

By Amanda Chambers

The cast of the world premiere of "A Christmas Carol: An Arts Alive Musical" rehearses at The Ohio Theatre in Loudonville. The locally created production runs Nov. 20-23.

The Ohio Theatre will present the world premiere of "A Christmas Carol: An Arts Alive Musical", a new locally created adaptation of Charles Dickens' holiday classic, from Nov. 20 to 23.

The production was written and developed by a team with Loudonville ties, including Sally Hollenbach, Schuyler Hollenbach, Deaunna Morgan, Dennis Morgan, Emily Roblin, Matt Young and Lizzie Zink.

"We are beyond excited to bring this new musical to life," said Sally Hollenbach, the theatre's director and founder of Arts Alive. "This version of A Christmas Carol remains true to the heart of Dickens' story, but with new music, choreography and theatrical elements that make it a completely unique experience."

Matt Young will portray Ebenezer Scrooge, with Grant Hollenbach as Bob Cratchit and Jackson Arnold making his stage debut as Tiny Tim. The show features a cast of 62 performers.

The musical includes an original score that blends traditional holiday tunes with contemporary theater styles.

Performances will take place at The Ohio Theatre, 156 N. Water St. in Loudonville. Reserved seating tickets are available online at the theatre's website or by calling 419-994-3750. For showtimes and additional details, visit theohiotheatre.com.

LHS Seniors Finish Careers at Regional Cross Country Meet

By Kinah Yoder

On Saturday, Oct. 25, Loudonville High School seniors Nora Lance and Lettie Wenell ran in the Division IV Regional Cross Country Championships at Boardman High School in Youngstown. The regional meet, drawing many of the top runners from across Northeast Ohio, featured a challenging course for participants. Both athletes completed their four-year careers on the Loudonville cross country team.

Lance placed 92nd out of 159 runners, finishing the race in 23:33. Wenell earned 43rd place out of 174 runners, completing the course in 18:12.

Head Coach Whitney Snyder praised their performances. “Both ran very good races to round out their senior year of cross country and fourth year of high school cross country. Our region regularly has an extremely competitive field, and they held their own and represented Loudonville well,” Snyder said.

Loudonville JH Golf Wraps Up 7-2 Season

By Kinah Yoder

The Redbirds junior high golf team wrapped up its 2025 season with a 7-2 record, remaining undefeated at Pleasant Hill Golf Course. The team came close in matches against Wooster and West Holmes, where the loss was determined by only a few strokes. The final match was canceled and couldn't be rescheduled.

Over the course of the season, Loudonville golfers faced a variety of course conditions. They competed at Fire Ridge in Millersburg, known for its hilly terrain and elevated greens; Vernon View in Mount Vernon, which features heather grass and tight fairways; and their home course, Pleasant Hill, where the greens proved especially challenging.

"This season brought about many surprises," said Assistant Coach Steve Jeffries. "We got to witness a group of incoming seventh graders, some who hadn't previously golfed, finish the season as skilled golfers."

Individual scores included a 31 by eighth grader Wyatt Artrip in a nine-hole match against Northmor, the lowest score recorded by a Loudonville golfer this season. Seventh grader Grayson Buirley scored a 40 against Fredericktown, the lowest score on the girls side. Seventh graders Grayson Wilson and Adrian Lee each recorded birdies during match play. Seventh graders Elliott Merritt and

Braxton Tuttle joined eighth graders Artrip, Aiden Stone, Bentley Shearer and Mathew McClure to complete the top six lineup.

Jeffries also noted the rising interest in golf across the community. "Interest in golf has picked up in Loudonville," he said. "Other than Wooster, we had the biggest team out of the opposing teams." He added that the girls program is still developing but said he is optimistic. "Soon it will take off when the current girls get into high school and are able to showcase their talents."

Head Coach David Artrip expressed pride in the team's growth and resilience. "I'm very proud of this group of athletes and what they accomplished as individuals and as a team," he said. He emphasized the unique challenges of golf compared to other sports, explaining, "Most sporting events, either home or away, have the same conditions, boundaries and setup. With golf, there are a lot of variables, and it's less predictable."

He also spoke about the mental demands of the sport. "It takes a lot of focus and mental toughness to be consistent," he said. "Add the pressure of having spectators right up on you watching you play. It's not easy."

Looking ahead, Coach Artrip is confident in the eighth graders moving on to high school. "The eighth grade golfers we are sending

up to high school all have the skill set and experience to contribute right away," he said. "We have 13 golfers currently in junior high. In a few years, this group of kids will play some great golf in high school."

He added, "My goal is to come back next year for junior high golf with an even bigger team."

Pleasant Hill and Round Lake golf courses provided

space for practices and hosted several of the team's matches during the season.

Loudonville Ends Football Season with 3-7 Record

By Kinah Yoder

The Loudonville High School football team showed significant improvement in 2025, finishing with a 3-7 record after a winless season in 2024. The Redbirds started the year strong, opening with back-to-back victories over Mapleton (60-0) and Richmond Heights (48-16), before facing a series of tough matchups.

Several games came down to the wire. Loudonville appeared to have the upper hand against Danville, holding a late lead before a final-minute touchdown gave Danville a 34-28 win. Another close game went to overtime against Fredericktown, where the Redbirds fell 26-20. They also picked up a narrow win over Cardington-Lincoln, 21-16, before finishing the season with a 41-19 loss to Northmor.

Collin Caley led the Redbirds in scoring with 12 touchdowns and four conversion runs, totaling 80 points. Josiah Hershberger added nine touchdowns and 71 points, while Braylon Kauffman

and quarterback Chayse Wright each scored six touchdowns. Caley also made big plays on special teams, returning three kickoffs for touchdowns, including two runs of 80 yards.

Wright guided the passing game with 126 attempts and 59 completions, including a long 60-yard touchdown pass. Loudonville totaled 3,079 yards on the season, with Caley and Hershberger making significant contributions in the running and return games.

On defense, Hershberger led the team with 120 total tackles, two interceptions, and three fumble recoveries. Gavin Eikleberry added 116 tackles, while Nic Buzzard, Coalton Poole, Zeb Brecheisen, and Kauffman all made significant contributions in sacks, tackles for loss, and pass deflections. The team tallied 907 total tackles, eight interceptions, and 50 tackles for loss over the season.

Several players earned postseason honors in the Knox Morrow Athletic Conference. Hershberger was named first-team

linebacker, Drew Robinson earned second-team recognition on the defensive line, and Caley was named a second-team defensive back. Eikleberry received honorable mention, and Brecheisen earned all-academic honors.

Head coach Ed Honabarger praised the team's progress from last year's winless season. "Obviously, we wish our record was better, but the program took big strides in being a competitive football team this season," he said. "If we created a few more breaks, we could have easily won six or seven games."

With seven seniors moving on, Honabarger emphasized the importance of leadership from the returning players. "This year's senior class worked hard in the weight room and on the field. Their effort will be sorely missed. Now it's time for the upperclassmen to step up, continue to work hard and keep building the program."
