

SELF-ADVOCACY

Self-Advocacy Workshop is a one-week offline workshop offered to Schools/Universities twice - monthly to provide modern knowledge of the entrepreneurial sector in an interdisciplinary fashion. The main agenda of this workshop is to develop strategic skills among Students, Teachers, Parents, Employees to help them open the door to various critical life skills such as legal literacy, financial literacy, digital literacy, and build self-confidence, self-respect to make decisions and enable career opportunities.

Furthermore, SAC is curated to provide a holistic environment to the participants, where they not just learn about development of entrepreneurial capacity by performing hands-on activities, but also understand authentic happiness and fabricate positive emotion for themselves and others around them.

Workshop Goals

• Education is a dynamic process. It continuously evolves itself, reflecting the needs and aspirations of learners. The present pandemic time has influenced all to be Self-reliant and Entrepreneurial. Also, it has affected leadership and creativity in all walks of life. For this reason, Self Advocacy education becomes an essential skill to learn.

• This workshop aims to provide an overall knowledge of strategic skills required to be a Self-reliant leader with the hope of being counted as their first step to becoming an entrepreneur or a successful businessman/businesswoman.

Learning Objectives

To develop entrepreneurial and leadership mindset

To enable individual learners to generate self confidence, appreciate the dynamic changes in life and adapt manageable approach

To acquaint learners about Goal Setting, Transformational conversational techniques for Entrepreneurial growth and individual development

To promote Self-Advocacy as a strategic educational skill to improve quality of life, skills of creation, credibility in communication and management of entrepreneurial pursuits.

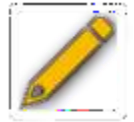

Learning Outcomes

- 1) Understand the role of Self Advocacy skill in Entrepreneurial Education
- 2) Learn about Leadership and Leadership Capacity

- 3) Identify and assess their qualities and competencies

- 4) Understand Self Advocacy as important skill for managing complexities in family, workplace and other social groups

Skill and responsiveness of the instructor

I liked painting the perception in which everyone gave their perception on what they saw in that picture so that their thought was seen .

Workshop for a small group was valuable as everyone got Equal attention.

This workshop was very interactive. We have know ourselves through the activity, which i liked very much .I liked each and every activity of this worshop ...

What would you like say about your mentor?

11 responses

Definitely!

I believe this should be made compulsory in every institution and organisation.

Thank you ma'am for the wonderful workshop 🙏
It's really very helpful for me

She is change my perception to view life

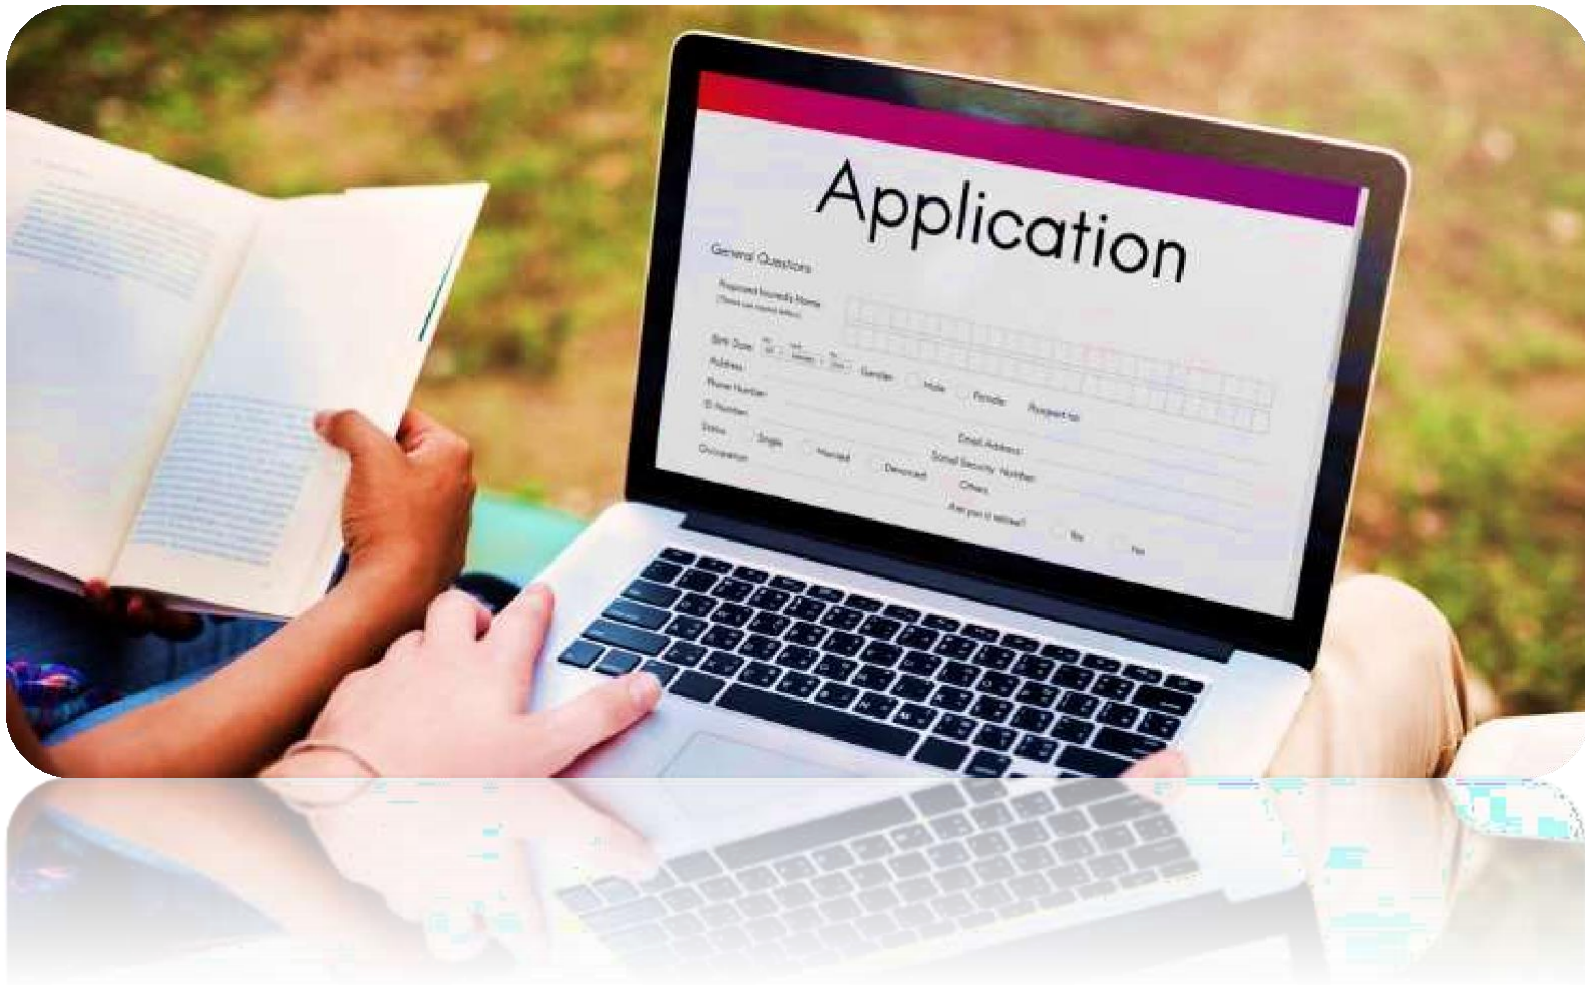

Activities conducted were so precise

FANTASTIC WORKSHOP MEGHA MAM ! This workshop has been very inspiring and I am really feeling delighted to have been able to be a part of this and try to continue with wave approach on society with the positive thought... I learned a lot during this workshop ..It's been interesting, good venue and presented really well .Thank you soooo much mam for conduct this workshop..

Megha is one genuine mentor. She exemplified that knowledge needs no age to prove itself. The way she took the workshop was really insightful. She has a unique way of mentoring and teaching.

I wish to meet you in person Megha Ma'am . If you can do magic from afar then I am sure you people in close contact with you must have got much of your magic. I request you to kindly take such workshops frequently. We all need such workshops.
