

Conditions for provision of radiotelex service

The automatic radiotelex service is provided subject to British Telecom's "Conditions for telex service" for calls made from shore-to-ship and to British Telecom's "Conditions for radio telex service for ships and aircraft" for calls made from ship-to-shore. Copies of these Conditions may be inspected at any British Telecom District or Telephone Area Office or are obtainable from Portishead Radio Station, British Telecom International, Highbridge, Somerset, TA9 3JY, England.

Services and procedures described in this brochure may be modified, added to or withdrawn.
