Summer PSO Opportunities

Do you have PSO to complete?
There are always things that CHCS needs help with over the summer. This would include things like carpet cleaning, painting, washing windows, yardwork, and general maintenance, just to name a few.

Watch for email for communication outlining what we could use help with. Any hours your serve can be used to finish out any remaining PSO, or help you get a jump start on your PSO for the upcoming school year!

Financial Aid Information

CHCS uses FAST from Independent School Management (ISM) to process financial aid applications.

In January FAST launched upgrades to their system.

To apply for financial aid for the 2025-2026 school year, you must create an account using the new system.

To do this, please go to our website: www.cadillacheritagechristian.com and click on the ADMISSIONS tab, then on FINANCIAL INFORMATION.

At the bottom of that page is a blue button labeled FAST. Click on that and it will take you to the new FAST page.

You will need to create a new account and going forward, you will be able to log in to your information so save your username and password. One benefit of the new system is that FAST can access your tax return information directly so you won't need to upload your return.
