**Congratulations, Class of 2026!**

### Art & Science Fair 2026

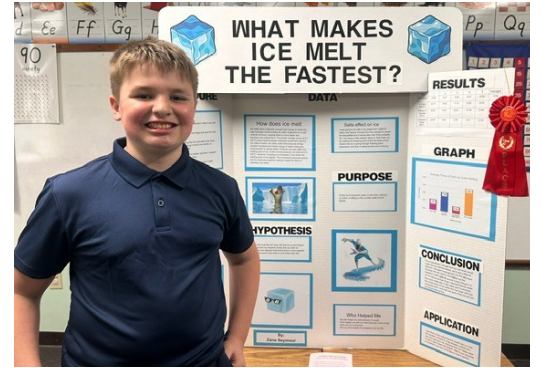

Over the last few months, our students have been working hard on their CHCS Art & Science Fair projects! We had a great turn out on Tuesday, April 28! Families and visitors were able to look at all the beautiful works of art and tri-fold boards displaying a wide range of intriguing science experiments.

Volunteer judges were brought in to judge the art pieces and science fair presentations. The winners were chosen based on how they fulfilled the criteria for each project. We are so proud of all the hard work each student put into their projects! Congratulations to all the students who were awarded ribbons on their impressive work!
