Summer PSO Opportunities

Do you have PSO to complete? There are always things that CHCS needs help with over the summer. This would include things like carpet cleaning, painting, washing windows, yardwork, and general maintenance, just to name a few.

Watch for an email communication outlining summer PSO opportunities. Any hours you serve can be used to finish out any remaining PSO, or help you get a jump start on your PSO for the upcoming school year!

Financial Aid Information

CHCS uses FAST from Independent School Management (ISM) to process financial aid applications.

To apply for financial aid for the 2026-2027 school year, you must create an account using the FAST system.

To do this, please go to our website: www.cadillacheritagechristian.com and click on the **ADMISSIONS** tab, then choose **FINANCIAL INFORMATION**.

At the bottom of that page is a blue button labeled 26-27 FAST. Click on that and it will take you to the new FAST page.

You will need to create a new account and going forward, you will be able to log in to your information so save your username and password. One benefit of the new system is that FAST can access your tax return information directly so you won't need to upload your return.

TRIP Payouts

TRIP payout statements are in your family mailbox in the office.

Our school families earned over \$2800 in TRIP and voucher payments that were applied toward tuition and fundraising commitments!

The school office will be open
Tuesday, May 26, 2026 - Friday, May 29, 2026
from 9:00 a.m. - 3:00 p.m.
