

The Town Crier

Tell everyone you know about CHCS!

Are You Ready For Read-a-Thon?

March is Reading Month nationwide and we are very excited about the activities we have planned to encourage our students to explore the world through books. As part of Reading Month, our 4th annual Read-a-Thon will be held March 2 - 8! Information regarding the activities, goals and incentives will be sent home with the students next week!

We would like to thank you in advance for partnering with us in this fundraising activity to help us meet our operating budget needs and for spending time reading with your child.

Literacy Night

Mark Thursday, March 19 on your calendar for our CHCS Literacy Night. The evening festivities will begin at 6:00 p.m. Literacy Night is an event for our young fives through sixth grade students and their parents. There will be popcorn, cotton candy, games, and many activities geared toward encouraging our students to read. Check future issues of the Town Crier for more information.

Upcoming Musical Events

The 5th through 8th grade pep band will perform during the high school girls and high school boys basketball games on Friday, February 28. This is Parent Night for our players and their parents.

The annual CHCS Talent Show is on Thursday, April 16 starting at 7:00 p.m. All CHCS students, PreK through 12th grade, are invited to participate in the show. The evening may include acts such as piano solos, jump roping, basketball routines and recorders! It is guaranteed to be a night of wonderful entertainment.

Kuyper College Visit

An admissions representative from Kuyper College will be here on Wednesday, March 18 during the secondary lunch hour. Any parent of a secondary student who is interested in learning more about the college

is welcome to join us between 12:15 p.m. to 12:50 p.m.

First Day of Recorders

The 3rd and 4th grade music students played their first song on their recorders today! This is a long awaited moment for them, but maybe not the parents! You will be happy to know that learning how to play on a recorder is a wonderful way for young students to learn more about breathing, rhythm and pitch. You may hear your child toot-tootling some familiar tunes around the house!
