Juniors And Seniors Head South

Every year the juniors and seniors look forward to their spring trip. Last year their mission trip to Kentucky was cancelled due to Covid. This year the group is headed to Pigeon Forge, Tennessee. The group will leave on Saturday, April 24 and return on Saturday, May 1. The students and chaperones will stay in a large cabin in the woods where they have many fun outdoor activities available. The students will alternate leading the daily devotion time, cooking meals, and cleaning up after the meals. We are very thankful for the money the students raised through the bake sale and pop can returns that will help them with the cost of food and activities. Please pray for safe travel and good weather.

Refrigerator Needed

Our faithful refrigerator in the teacher's lunch room has retired. The refrigerator has served us well for over fifteen years. We are in need of a replacement. If you have an extra one you would like to donate or if you know of someone who is thinking of upgrading their refrigerator and has a used one in good condition please call the office.

CHCS Girls Soccer

The intramural soccer season began Monday, April 19 for the 6th - 12th grade Lady Patriots. Coach Stagg had returning players as well as some new players at the first two practices. Despite the cold, the girls enjoyed being outside and working on soccer drills.

More Mosaic Art

The 3rd through 6th grade students completed their construction paper mosaics. Many of the students are already collecting their materials for their more complicated mosaic projects. The new projects will be part of a virtual art fair! Track the progress of the students' mosaic artwork in upcoming Town Crier newsletters.
