Teacher Appreciation Week

This school year has been like no other year. In the midst of the trials, God has kept our students, teachers, and school in the palm of His hand. We are so thankful for every person that has prayed for our school and our school families. Our teachers have done an amazing job managing all the challenges this year has presented to them. We are grateful for their ingenuity and their steadfastness.

Teacher Appreciation Week is May 3 through May 7. This is a great time to tell the teachers how much they are appreciated. Monday, May 3 the office is supplying lunch for the teachers and Friday, May 7 the school board is providing lunch to thank them for everything they do. If you have a moment, send an email, drop off a card, or send up a prayer for our wonderful teachers!

PSO Opportunities

Do you still need to earn PSO hours? We are looking for volunteers who would be willing to shampoo carpets after the last day of school. We also need the gravel that the snowplow pushed off the driveway to be raked back into the driveway. We would love to have a cleaner that could clean the school on Monday and Wednesday evening until the end of school. If you are interested in any of these opportunities call the office at 231-775-4272.

Refrigerator Donated!

We have awesome school families! We put the word out that our refrigerator died in last week's Town Crier. The Husted family quickly responded. They had a refrigerator that they would donate to the school!

Mr. Bartosz transported it to the school and with the help of some young men, replaced the old one with the new one.

Thank you, Mr. and Mrs. Husted, Mr. Bartosz, Dominic Crawford, Seth Nichols, and Peyton Shaffer.

More Mouth Painting Projects

The eighth grade art students watched a short video about Joni Eareckson Tada, an internationally known mouth artist and author. After watching the video and trying to paint using only their mouths to hold the paintbrushes, the students had a greater appreciation for the artwork created by mouth and/or foot painters.

Juniors And Seniors

The juniors and seniors left the school Saturday, April 24 at 6:00 a.m., headed for Pigeon Forge, Tennessee. They arrived safely and have been busy ever since. The chaperones have reported that they are having a wonderful time. The group attended church on Sunday, went to Dollywood, hiked to Grotto falls, and even went fishing. Look in next week's Town Crier for more pictures.
