

## ALLERGEN STATEMENT

**O.B. Macaroni Company** manufactures wheat based macaroni and pasta products. These products are comprised of both egg and non-egg varieties which are made on common equipment. We operate to good manufacturing standards, and adhere to strict procedures for both organic and allergen control, in order to reduce the risk of cross contamination. Our procedures require a full clean down and inspection between egg and organic pasta products. At present, the verification process requires visual inspections
