Serving the city of Mississauga since 1974

The Open door is in need of gently used clothing for males and females of all ages of every size and shape, but especially L, XL and above! If its undamaged, and clean, we can give it back out free of charge to someone who needs it in the community. All undamaged clothing items are accepted; T-shirts, pyjamas and casual clothes, prom dresses, work clothes, belts, purses, and footwear are also appreciated.

We can also accept children's books and equipment, canes and walkers and small household items, as well as new personal hygiene items like, deodorant, body wash, pads, baby and adult diapers.

Our most pressing need is for winter coats, boots, warm mittens and gloves. We are also in need of warm sweaters, sleeping bags, blankets, hoodies, pants and thermal wear like long johns. We can use all sizes and especially large, extra large and above.

Please ensure that all clothing is in a clean condition, ready to distribute as we do not have the facilities to launder the clothing.

If you are able to donate, please contact us to arrange for a delivery time, by email, phone or through our website.

Deliveries are generally scheduled for a Wednesday, Thursday, or Saturday between 10 AM-2pm

Thank you,
The Open Door
