President's Message

Melissa Knapp, WSOTC President

It's been a busy summer so far! Our inaugural Scent Work trials were in June and our Agility weekend was in July.

Thanks to everyone who helped make the WSOTC summer events a success! I heard many compliments from exhibitors about how smoothly the trials ran.

The scent work trials were chaired by Sarah Kahn with yours truly handling the entries and paperwork as trial secretary. WSOTC members that came out to help included Lorri Kraft, Neil Evans, Betsy Fortman, Diane Longstreth, Lelia Irvine, Judy Peterson, Kathy Teufel, Darlene Brown, Lynn Brimmer, Charlie Clarke, and Debbie Fagala. (If I missed anyone please know that your work was much appreciated and that my memory is not what it used to be!)

President's Message

Continued from page 1

The agility trials were headed up by Susan and JoAnn Mulligan, Linda Shea, and Nancy Light. Other members volunteering included Leann McNeil, Gloria and Larry Newby, Catherine Shaffer, and Joyce Brombaugh. If you worked at the trials and I didn't list your name, send me an email (melissa.s.knapp@gmail.com) so I can let everyone know.

I am looking forward to seeing you all at the Obedience and Rally trials August 9 & 10, both at Country Classic Kennels in Arlington. Event chair is Debby Warden assisted by her trials committee including Shea Gorman-Hughes (Chief ring steward), April Caron (Hospitality), and Jane Pitts and Catherine Shaffer (Ribbons and rosettes). Our judges are Margaret Chandler and Mary Jane Shervais. For the most part there will be no crating in the building so bring your own shade. There will be several tent canopies set up in front of the building on the grass; we could use a few more if you have one to share.

And don't forget the Rent-A-Ring event on Friday the 8th at the trial site! Registration and more information are available on the club's website [Washington State Obedience Training Club](#).

And to all of the members who work behind the scenes on club committees and projects, the officers and board members extend our thanks and appreciation. It's great working with all of you!

Agility Trial July 11-13

Linda Shea

The event went well despite the heat. Thank you to the Mulligans for doing a great job with hospitality and ensuring that everyone was well hydrated. There were plenty of volunteers to help. Being able to crate indoors was helpful due to the hot weather. Although entries were lower than expected due to competing events that weekend, the event had a net gain overall.

Scent Work Trial June 21-22

Sarah Kahn

Thank you to club members for their help and support for this new event, especially club members who showed up to volunteer even though Scent Work isn't their usual sport. Entries for the trial filled quickly and there was a random draw for spots. Monroe Christian School worked well for this size of trial due and there was ample parking for the approximately 75 exhibitors. The club plans to hold this event again in June 2026 with the same format, offering all four elements in the Novice and Advanced classes.

Summer Obedience and Rally Trials August 9-10

Debby Warden

The trial is ready to go! Thank you in advance to all my volunteers: Shea Gorman-Hughes as chief ring steward, Jane Pitts and Catherine Shaffer for ribbons and trophies, and April Caron for hospitality and trial secretary. Many thanks to Melissa Knapp being my support and help to get everything going. The judging schedule will be out shortly.

The Laurie Weaver seminar that was in planning for October 2025 has been canceled.

Hi, I'm Linda Wiseman and I'm fairly new to your group. I have two lovely Golden Retrievers. I joined Cyber Rally-O which is a virtual program for training dogs and other animals. They offer Rally, Games, Foundation Skills. You video your dog/ animal performing them, send in the video and it is judged against the rules of Rally/Games/etc. You can earn titles and ribbons for successful performances. They are on Facebook and of course, have a website. I am not trying to make this an ad but want to explain background. I enjoy this because it allows me to do everything on my own timeline and in my own home, backyard, or park. I have learned to make videos with a complex but free video program called Davinci Resolve. There is a learning curve (more gray hair, oh well) but I've mastered the basics especially not being a techy person. I created a YouTube Channel for the videos of my dogs. One Golden, Teddy, has achieved Foundation Skills Level 1 & 2 out of 4 and Ranger has reached Level 3. We've also passed Level 1 of 1-2-3 Ping Pong for both dogs. I am happy to share a link to a video if anyone is interested.
