General Requirements for all Animals

Exhibitors at state, county and district fairs, along other livestock exhibitors, exposition and shows are required to comply with all of the statutory and regulatory provisions of the State of Michigan relating to animal health outlined in the Animal Industry Act, 1988PA46MCL 287.701-287.747, and rules promulgated for the implementation and enforcement of the act.

1. A person who discovers, suspects or has reason to believe that an animal is either affected by a reportable disease or contaminated with a toxic substance shall immediately report the fact, suspicion or belief to the Michigan Department of Agriculture and Rural Development (Daytime phone: 800-292-3939; after hours 517-373-0440).
2. Livestock with clinical signs of infectious, contagious or toxicological disease shall be removed from the fair, exhibition, exposition or show authority or by permission of the director shall be isolated on the premises.
3. A fair shall have an accredited veterinarian on call whenever there are animals on the premises during the fair.
4. All cattle, sheep, goats, swine and privately-owned cervids shall bear official USDA identification before they leave their home premises. Swine require official identification prior to being exhibited.
5. Upon request, a person who exhibits livestock shall present for inspections all reports, test charts and appropriate health certificates required to accompany the livestock.
6. A fair, exhibition, exposition or show authority shall do all of the following:
 - a. Notify exhibitor of health tests and certificates required for importation and exhibition.
 - b. Examine and approve required official animal identification, health certificates, reports, test charts, certificates or other required documentations before commingling with other animals.
 - c. Notify exhibitors whether or not poultry vaccinated against infectious Laryngotracheitis (ILT) are allowed in the fair, exhibition, exposition or show.
 - d. Providing shipping arrangements for all swine exhibited that are to be removed from the fair, exhibition, exposition or show facility for direct movement to

slaughter or a livestock auction market as defined in Licensing Livestock Dealers, 1937PA287. 121.287.131.

7. A fair, exhibition, exposition or show authority may require additional testing or vaccination of animals before entry and during the fair. Exhibition, exposition or show authority.
8. Whenever an official test is conducted or an official vaccination is administered, livestock shall, unless exempted by the director, be permanently identified in a manner approved by the director.
9. Unless otherwise approved by the director, a facility for exhibition of livestock shall be constructed to allow sufficient separation of each exhibitor's livestock. The Facility shall be constructed of a material that can be adequately cleaned and disinfected.
10. An exhibition building or yarding facility shall be cleaned and disinfected with a United States Department of Agriculture (USDA) approved disinfectant used in accordance with label instructions before livestock are admitted by removing from the premises all manure, litter, hay, straw and forage from pens, runways and show rings; and thoroughly disinfecting walls, partitions, floors, manger, awarding facilities and runway in a manner approved by the director. For complete list of disinfectants, please refer to www.michigan.gov/mda-exhibitinfo.

General Requirements for out of State/Visitor Animals

1. Out of state livestock for exhibition shall meet the requirements prescribed for importation of animals of that species and shall be accompanied by a copy of an official Interstate health certificate or an official interstate certificate of veterinary inspection by an accredited veterinarian from the state of origin.
2. Livestock shall not be directed to a premise other than the destination site named on the official interstate health certificate.
3. It is the responsibility of the exhibitor to ensure that all requirements for testing, identification and official interstate health certificate or official interstate certificate of veterinary inspection or fulfilled prior to the importation and that proof of fulfilling these requirements is provided to the director, fair, exhibition, exposition or show authority upon request,

4. If vesicular stomatitis outbreaks have occurred in the state or origin within the past 12 months, the following statement must be including by the accredited veterinarian on any official interstate health certificate or official certificate of veterinary inspection for importance of Equidae, into Michigan:

"I have examined the animals listed on this certificate and have found no clinical signs of vesicular stomatitis. To the best of my knowledge, these animals have not been exposed to vesicular stomatitis with in the previous 30 days, not have they been vaccinated with vesicular stomatitis vaccine." For a list of states currently affected with cases of vesicular stomatitis, please go to www.aphis.usda.gov/animal health and then click on Animal Disease Information or contact MDART at 517-284-5874.

3. Exhibit Building entry tags must contact Superintendent. Exhibitors needing buyers passes need to contact fair office. Livestock exhibitors needing parking passes will be handed out by Superintendent (exhibitors will receive two (2) parking passes per family, additional passes must be purchased).
4. All open class exhibitors must reside in the following counties: Osceola, Lake, Wexford, Missaukee, Clare and Mecosta.

5. The management will not be responsible for any loss, damage, or injury to any animal exhibited or for any article of any kind/nature that may be lost or destroyed, or damaged in any way. Each exhibitor will be responsible for any injury that may be occasioned to any person by any animal, owned or exhibited by him/her, or arise from any negligence of the person in charge of such exhibit.
6. Any ample police force will be kept on the ground's day and night and every effort will be made for the security of exhibitors and others in attendance, but the Association **WILL NOT BE RESPONSIBLE FOR ANY LOSS OR DAMAGE** that may occur.
7. The Board of Directors reserves the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions or differences in regard thereto.
8. The management reserve to itself the sole and absolute right to settle disputes and misunderstanding arising out of premiums awards or any phase of enterprise of the Fair without claim for damages.
9. The management reserves the right to reject any exhibits deemed unworthy.
10. Each division of the fair will have in charge one or more superintendents, who with such assistant or clear as may be needed, will have the management of such departments. Superintendents of all departments exhibiting for them will be furnished with judging sheets in the department and receive such instructions as may be necessary. These sheets must be returned to the treasurer with the finding of the judge's property recorded thereon. The superintendent and judge must sign each sheet on which premiums are awarded.
11. No exhibitor or any persons shall at any time, without the permission of the fair board, lead or ride their animals from the barns to any place on the fair grounds where they may endanger pedestrians. Any infractions of this rule shall forfeit all premiums and shall be sufficient cause to have animals removed from the fair grounds.
12. Exhibitors must be in good standing with the Association to participate or exhibit in Association sponsored events. The Board of Directors determines condition on good standings.
