

Northern Borzoi Association Championship Show

Ripon Racecourse, 12th September 2025.

VETERAN DOG.

1st – Jamarqui Alchemy Argent. - Very masculine dog with a good head and expression. A little short in neck but with a correct body and forechest. I would have preferred a longer croup. Moved well. BEST VETERAN.

PUPPY DOG.

1st – Go Go Bolshoi Helios (Imp HUN) – very elegant male with excellent proportion and expression. He has an excellent body and chest, correct angulation and parallel correct movement. He is a little soft in pastern which was probably due to age.

JUNIOR DOG

1st – Bylobog Granabrazo at Hawksflight. (Imp SVK). – Very elegant dog and a very powerful mover. He has an excellent head, neck and topline with overall good body proportions.

2nd – Lynx Tell A Tale Of Albeneiler. – Middle sized male with a great substance of body. He is however a little short in croup. A well boned all round male of lovely type and with an excellent coat. He does however need more practise moving.

GRADUATE DOG.

1st - Everwyck Alphin. - A middle sized male with a very masculine head and expression, A compact dog with really good angulation. He was a little to flexible when moving.

2nd – Rosskaja Jim Beam. – A tall male with a very nice head and neck. Unfortunately he is rather upright in his front construction which showed in his movement.

POST GRADUATE DOG.

1ST. – Go Go Bolshoi Casino Royale (imp HUN). – a good sized male with beautiful colouring. He is of a lovely type with excellent coat texture. He is a little short in neck and gives the impression of being aa little short in front leg length. He was however, sound on the move.

2nd. - Palamedees Arian Khryrsos at Keanver JW. – A good sized Male with a masculine head and expression. He is a little short in croup which affects his overall proportion. He has a great front which showed in his movement.

MID LIMIT.

1st. – Lynx Faster Than Light of Noldoli (imp SWE). – middle sized male with a masculine head and correct body portion. He is a little upright in upper arm but he does have excellent rear angulation. He is a sound mover with good drive.

2nd. – Vidris Pink Floyd. – masculine tall male with a beautiful true Borzoi head and expression. He has a long curved neck but unfortunately his very steep croup made his overall body portion to short. This also affected his movement.

LIMIT DOG.

1st. - Mischran the Sequel for Stubbylee JW. – Very elegant male with excellent body proportion. With a lovely head, neck and body proportion. He has a very rich coat texture and he moved OK but a little to playful.

2nd. - Donskoi The Mad Hatter At Russmechta. – A decent looking dog but on inspection he is a little short in neck and his topline could have been better. He has a very specific head but his expression could be better which is due to his eye shape. His movement is parallel both coming and going.

OPEN DOG.

1st. – AM/SE/NO/CH Zaprov's Illumination. – A very masculine male with perfect body proportions. He has a beautiful head, eye and expression with a long neck and correct topline. He is a very sound moving dog with great drive. Delighted to award him DOG CC and Best of Breed.

2nd. – Santerman the Way We Were at Enolam. – A masculine dog with a very special head and expression. His length of neck could have been longer but he did have good body proportion. I thought he needed a little more forechest. His movement was generally satisfactory but he is a little narrow in the rear.

CHAMPION DOG.

1st CH Astragorn Zeus Glory of Albeneiler. (imp AUS). – A very nice male with an excellent topline and overall body proportion. He has a good Borzoi head and expression. A great drive on the move showing his excellent angulation. He also has great coat quality. RES DOG CC

2nd. – INT/SE/NO/FIN CH Zaprov's The Mythmaker. – A very strong and masculine looking male with a beautiful head and expression. His overall body proportion is good and he has great rear drive when moving. I thought his front could have been a little narrower.

VETERAN BITCH.

1st. - Russkiy Azart Liberty the Wind of Passion at Keanver. – Strong female with a very nicely proportioned head. She has a very slightly exaggerated topline. Correct angulation all round. She was a little lethargic on the move. Nice bitch indeed.

PUPPY BITCH – No Entries.

JUNIOR BITCH.

1st. Lynx Fairy Tale of Albeneiler. – Very elegant and feminine young girl with a really nice head, eye and expression She has excellent angulation all round which showed in her movement. A quality youngster indeed.

2nd. – Menigma Crazy About Her with Cairdean. – Another very elegant young lady. With a beautiful head, neck and topline. She has good angulation all round, but she is a little narrow in the rear when moving. She needed more coat on the day but that will come.

GRADUATE BITCH.

1st. – Stubblee at Sunrise. - Very feminine with good body proportion. Nice head and expression. She has a good topline but a little straight in shoulder and also a little loose in front when moving.

2nd. – Everwyck Caladria at Enolam. – a nice feminine head but a little light in eye. She formed a better picture when stood than when moving. Her topline appeared rather exaggerated on the move. She also needs more weight and muscular development.

POST GRADUATE BITCH. – All absent (3)

MID LIMIT BITCH.

1st. – Psovaja Ohota Shaherezada Charming (imp UKR). - Strong bitch of a nice type. Fantastic head and expression. Quite long and a little too level in topline. She has a lovely gaiting movement but unfortunately, she crossed her legs both in front and rear.

LIMIT BITCH.

1st Chalkville Katerina. – A good size and type for a feminine female. She is rather strong in head, and she has a level topline. She does have good bone in her front couplings. Out of coat now and very playful when asked to move.

OPEN BITCH.

1st. – Nibrass Queen Ethelflaeda JW. – Middle sized female with really good bone structure for her size. Very good mover all round.

2nd. – Stubblee Chiara Mia. - A nice bitch indeed but her head looked a little heavy and needing more pigmentation. She does have a lovely eye and expression. Compact body and a little straight in front. Moved with energy.
