### **MARK ORD Profile**

Having spent the last 45 years involved with show dogs & dog shows in a variety of different roles from exhibitor, breeder, committee member, officer, steward & judge. I started in dogs with Border Terriers in 1975 and shortly after in Afghan Hounds, these I consider my main breeds but it was my Afghans I concentrated on as I was more successful with those and never in a position to have many dogs myself. I came from a none doggy family and persuading them to have a dog was difficult enough but then when the bug bites & you want another then another it takes over your life. But I would not have changed it for the world and 45 years later I am still addicted to the dog game.

I have made up and bred Champion afghans in a time when entries were huge in the breed and I am sure Borzoi enthusiasts will understand what I mean when I say breeds are in and out of fashion. We could have entries of 3-400 at a Championship show and now we are lucky if they are in the 60-70 range. Borzoi have also seen a massive decline in numbers at the shows but on the positive side rescue is not so prevalent and this has to be a bonus as I have had to deal with some horror stories.

Now in a position in life where it is difficult to keep dogs myself because of work & personal commitments I was persuaded by respected peers not to leave the dog game but to branch out and judge more breeds, which is what I am now doing and I thoroughly enjoy this. Because I have owned, bred & shown Hounds & Terriers that is the only breeds I wish to judge as I feel comfortable doing this and have no desire to judge all breeds. I am happy to judge all Hounds & Terriers at Championship & Open show level. Currently I am K.C. approved to judge 3 Hound & 3 Terrier breeds at Championship level.

I often watch Borzoi being judged at shows & have followed the breed for many years, one of my all time favourite dog books is The Borzoi by Dr. Desiree Scott.

I am very much looking forward to judging at The Northern Borzoi Open show in 2019 and feel very honoured & privileged to have been given this opportunity. I look forward to my day with you all and hope you will support me and accept my humble but honest opinion.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
