

APPLICATION FOR VILLAGE UTILITIES TERMS AND CONDITIONS

The Village of Bartley is hereby requested to provide utility service and to furnish, own and maintain metering equipment located up to and on the premises. As a condition to such service, it is understood and agreed as follows:

- 1. All private service lines, piping, electric appliances or equipment (excluding metering equipment) located on or within the premises shall be owned, maintained by the customer and/or premises' owner. Except as otherwise required by law, the Village does not undertake to, or assume the obligation for the inspection, testing, maintenance, or repair of equipment of facilities not owned by the Village.*
- 2. The Customer agrees to pay for the electric, water, sewer and sanitation services at the Village established rates as amended and changed from time to time, plus all sales tax. The Village requires a monetary deposit of (a) \$250.00 from customer if a current or previous utility provider attest in writing that in the prior 12 months the customer has not been late with payment and left, or continues to be, in good standing (b) \$600.00 from customer with no credit or bad credit with a prior utility company in the pasts 12 months to secure the Village payment of such sums, which may become due by the customer of the Village. The Customer understands the deposit will be held until which time as they disconnect their utility service and the final bill if not paid in full will be paid from the deposit before a refund is issued. If the amount owed exceeds the amount of the deposit the Customer understand that amount is due to the Village and if not paid in a timely fashion will be collected by legal means.*
- 3. The Customer further agrees to abide by the Village's present and future rules as a condition of utility service. The utility service payments are due upon receipt and considered delinquent if not paid by the 15th of the month. If payment is not received by due date a disconnect notice will be sent to the Customer. If payment is not received by assigned date and time appearing on the disconnect notice the electric and water services will be disconnected and the current established disconnect fee will be charged and is required to be paid prior to the utility being turned back on.*
- 4. The Customer agrees that the Village will have the right of access to the Customers' premises at reasonable times for the purpose of installing, reading, inspection, testing, maintaining, or repairing metering and regulation equipment, or for the purpose of removing it's property, and for all other proper and lawful purposes.*
- 5. The Village shall not be liable for damages due to interruptions in service and the Customer shall hold the Village harmless from any and all claims or liabilities for damage or injury to persons or property which may arise out of or be caused by the construction, maintenance, use or operation of service lines, piping, facilities, equipment or appliances which are located on the premises.*
- 6. The Customer shall properly protect the Village's property located on the premises from loss or damage.*
- 7. In the event the Customer moves to a different location, the customer will be held liable to the Village for all services received at the vacated location until payment has been made.*

I have read the above statement and understand that this is an agreement with the Village of Bartley.
