DEMOLITION CONTRACTOR'S INSTRUCTIONS

- (1) A BUILDING DEMOLITION PERMIT must be applied for and acquired from the Building Official prior to the commencement of demolition. The demolition permit fee is \$0.00.**
- (2) A plot plan shall accompany the application showing the buildings or structures to be demolished and the buildings and structures on the same lot or parcel of land. Plot plan shall show existing location of all utilities to be discontinued.**
- (3) 72 hours prior to commencement of work – the Building Inspector shall be notified of proposal to commence work; and he shall be assured that all utility lines have been plugged or disconnected.**
- (4) Materials or equipment needed in a building demolition operation shall not be stored in a street, alley, sidewalk or any other public place EXCEPT by obtaining a right-of-way obstruction permit and special permission of the Building Official.**
- (5) FENCE WORK AREA – the entire working perimeter of the area within which the demolition operation is to be confined shall be solidly fenced off with, preferably, a snow fence, supported by steel posts driven into the ground.**
- (6) Whenever a structure is demolished or removed, the area shall be restored to grade; all footings and foundations of such structure shall be removed from the site.**
- (7) Demolition contractor shall request all utility companies to plug or remove their service lines;**
- (8) Contractor shall post \$5000.00 indemnity bond with the Village of Bartley prior to making application for demolition permit.**
