

Know Your Tribal Assistance Benefits Card Eligible and Ineligible Expenses

- These Benefit Card reimbursement dollars can be used to reimburse you for eligible Medical, Dental, and Vision expenses for Tribal Members only (the individual’s name that appears on the front of the card).
- Here is a sample list of expenses currently eligible and not eligible under your Tribal Assistance Benefits Card Program. This list is not necessarily inclusive or exclusive. If you have a question about an item that is not listed below please call Keystone Flex Administrators at 1-866-680-8308.
- Note: This list is not meant to be all-inclusive, as other expenses not specifically mentioned may also qualify. Also, expenses marked with an asterisk (*) are “potentially eligible expenses” that require a Letter of Medical Necessity or prescription from your health care provider to qualify for reimbursement, and will have to be filed with Keystone Flex manually for reimbursement. Some OTC items are qualified expenses, however, if your card declines when purchasing you will need to contact Keystone Flex for further instruction.
