GROUNDBREAKING IMMERSIVE EXHIBITION. THE 100 YEAR ANNIVERSARY OF THE DISCOVERY. STEP INTO AN ANCIENT WORLD.

A cinematic exhibition that takes guests on a wondrous, expansive journey through the true story and real artifacts of one of the greatest archaeological discoveries of all time. Using the next generation of visual storytelling this exhibit goes beyond a traditional artifact display and uses the power of photography and larger than life multimedia to showcase all the exquisite detail and artistry of these ancient items. Through nine distinct galleries visitors are transported into the past through a unique narrative of this 3,000-year-old story.
