FEBRUARY 6 – MAY 5, 2024

Wyland Center at Del Mar Fairground – 2260 Jimmy Duarante Blvd, Del Mar, CA 92014

Immerse yourself in the world of Vincent Van Gogh like you've never experienced before. Beyond Van Gogh is a rich and unique multimedia experience, taking the viewer on a journey through over 300 iconic artworks including instantly-recognizable classics "The Starry Night", "Sunflowers", and "Cafe Terrace at Night", now freed from their frames. Set to a symphonic score and using the artist's own dreams, thoughts, and words to drive the experience as a narrative, Van Gogh's art comes to life by appearing and disappearing, flowing across multiple surfaces and heightening the senses with their immense detail. Guests will leave with a new appreciation of this prolific artist's stunning work.

Beyond Monet promises to break conventions with this spectacular audio-visual journey through impressionism. A three part multi-sensory experience that combines music, sound effects, and projection, Beyond Monet brings guests on an unforgettable journey through the artist's most iconic works. Featuring masterpieces such as Poppies, Impression: Sunrise, and the iconic Water Lilies series, guests will become one with the paintings as larger than life projections of Monet's works swirl around the space, immersing the viewer in colour and light, and bringing art to life in front of our eyes.
