

2023-2024 RCIA

[Schedule of Classes]

Notes:

- 1) All classes will be held in Ceader Hall [beneath the church]. Access CH by the river-side doors near the rear of the church.
- 2) All classes [7:00-8:00 PM]
- 3) Some classes will be cancelled because of dangerous weather, illnesses among class members, or other unforeseen circumstances on that particular evening. When that occurs, Fr. Benn will contact everyone through email or text earlier in the day.
- 4) **9 Months might seem like plenty of time to cover all of the material; however, it isn't! It is important that all class members be conscientious in their attendance.**
- 5) It is understandable that on certain evenings, individual members will find themselves dealing with various hardships such as an inability to find baby-sitting, working late, crazy traffic, family crisis, etc. In such cases, it is important that they text or call Fr. Benn as soon as possible.
