Additional info can be found in handouts in the vestibule of the Church. Registration will conclude August 17<sup>th</sup>. Registration forms, plus a detailed description/schedule of the Conference, including Speakers can be found in the vestibule of the Church. Because of an anonymous donation, cost to the women of St. Lawrence is \$40.00 per person. If you hunger for a day away, especially with Our Lord, this gathering of women of Faith is for you!

- **A Thank You Letter:**

Back on the weekend of May 17/18, our Parish hosted the annual *Mission Coop*, which asks parishes to support a specific missionary order in their work. We hosted Brother Lucien Blain of the *Brothers of the Sacred Heart*. He was a delight have with us that weekend, and a mailing, which I received from him this past week, confirmed that you were a delight to him. *"I assure you that you and St. Lawrence have been in my prayers each day....Please assure the parishioners that their prayers and support will always be cherished by the brothers that are being benefited from their support. The brothers in Nairobi, Kenya have just been able to replace a water pump that has been broken for months, giving them once again running water. The children at Icon Home, Philippines are enjoying some rest before they begin another school year soon."* My sisters & brothers, always trust that the good you do is appreciated. The missionary-peoples may seem far away and anonymous, but your generosity is not lost on them. WB
