NEWS

Recently we met with the new events planner for the Saint Paul Winter Carnival. The meeting went well and we have some good ideas that we hope to bring to fruition. The one we think is most viable for the 2027 Carnival is helping to host a toboggan run at either Como Ski Hill or Battle Creek Regional Park. Why those two? It's because they are the only local parks that have snow making capabilities.

We also hope to be able to put toboggans on display in Rice Park to help with the ambiance.

This is all very early on in the planning stages and we will share more when we learn more.

We have a new partner to work with in the promotion of our mission. Northern Toboggan Company is a family owned business and is based out of Warroad, MN. They focus on hand crafted items including toboggans, snow shoes, and furniture

Our club hats are made in custom batch orders through Wisconsin Knitwear. They are a family run business in Milwaukee since 1940.

We currently have a healthy stock of these hats to sell.

ANNUAL FUNDRAISER UPDATE

Months of planning and organizing led to a good time held by all on Sept 26th. Music entertainment from Rockin' Woody, delicious food from El Burrito Mercado, and support from family, friends, neighbors, and the public are very much appreciated.

We are please to report that we had another successful fundraiser this year as we doubled the amount of items to auction off. We took in \$3744.51 after the main event and after-auction.

We now carry just over \$4000 in to the '26-'27 season.

While we have acquired equipment over the years to meet our needs, we hope to eventually have a branded tent to use all year for promotion at our events.

Please let us know if you know of any grants that would fit this ask. These 10x15 custom tents are between \$1500-2500.
