

February 2026

TOBOGGAN RUN TOMORROW NIGHT:

Join us for our first planned night time toboggan run event. We will be back over at the Highland Golf Course, after the Holy Spirit fish fry as we cannot pass up on deep-fried walleye. We plan to get things going around 6:30 and go until approximately 8:30

PARADE NEWS:

The Torchlight Parade was once again well attended with our club participants. Thank you to all who were able to join us and help spread the awareness of the club name.

VCC GRANT:

We submitted a proposal for a grant through the Vulcan Community Charities. Ideally, we are seeking a branded pop-up tent to catch the public's eye at events along with being a conversation starter. We hope to hear back in the next month to learn more about the grant's status. The image shows what it could look like and includes maps of Saint Paul and Minnesota so we can all talk about where we are from and how we figure out knowing each other.

CITY OF SAINT PAUL CIB GRANT:

This proposal seeks to design and construct a permanent wooden toboggan chute at Battle Creek Regional Park. This infrastructure will serve as a free, year-round park asset and the official home of the Midwest Toboggan Racing Championship during the Saint Paul Winter Carnival. By anchoring this project at Battle Creek, we align with current city and county efforts to expand winter programming and utilize existing recreation infrastructure. (Grant submitted on February 8th)

SAVE THE DATE: Our 2026 Annual Fundraiser Party will be on **Saturday September 26th** from 4-8pm at the Highland Pavilion again. More info to follow.

FIRE AND ICE:

It was too windy and cold to attend the Desnoyer Park Fire and Ice event back in January. We'll aim to be there next year.

BOARD MEETING:

Your help is needed and welcome. As we explore these big ideas and projects, we want to expand the decision making board to get more voices and ideas heard.

Right now, there are three board members: President Patrick Thuente, Vice-President Sarah Thuente, and Secretary Lillian Thuente. We hope to enlist help from within for planning purposes and utilizing your talents. Please let us know if this interests you and we can set a date and buy you a beer.
