

STACEY PIERCEY

GENDER CONSULTANT

LIFE COACHING SERVICE

A personalized coaching service to help you reach your true potential.

PURPOSE

As your Life Coach, I will guide your journey of personal discovery and provide the support you require to:

- Expand your perspectives on gender and learn to become more confident in knowing your own identity;
- Step beyond previously held fears and express yourself appropriately; and
- Apply this knowledge to your life and manage the changes successfully.

ENVIRONMENT

As an established authority, I can advise and deliver ongoing supports with a focus on results. During my coaching sessions, the atmosphere will be:

- Safe, respectful, and sensitive. A little motivational, structured and fun;
- Interactive and flexible to individual needs; and
- It is based on sound educational practices and relying on up-to-date information.

OUTCOMES

We will clarify your goals through these coaching sessions, and I will support you in achieving that transformational breakthrough. You will:

- Renew yourself by approaching life with a positive and affirming balance;
- Broaden your views on gender norms, equality, and diversity. Open your mind to innovative ways of thinking by embracing empathy and encouraging inclusiveness; and
- Personally and professionally, focus on increased sensitivity, self-awareness and improving your relationships with others.

COSTS

During our initial consultation, we will try to understand your objectives. Then my coaching services would be as follow.

Costs:

- One hour session \$50.00.
- Seven-day coaching package \$250.00; and
- Monthly support, as an advisor and accountability partner, for \$750.00.
