

# Spring

## FIELD TRIPS

at BIG JIM FARMS!

### New Curriculum for Spring

#### Spring-Themed Learning Stations

- Interactive, hands-on STEAM activities focused on environmental stewardship on the farm and at home.

#### Backyard Conservation

- Discover how to nurture local ecosystems, including pollinators, native species, and their habitats.

#### Gardening & Sustainable Farming

- Learn spring planting techniques, soil preparation, and crop cultivation, with an emphasis on composting, regenerative practices, and growing your own food.

- Visit our new earthworm farm!
- Beekeeping • Farm Animals • Crafts

All age groups welcome. Must book in advance on our website.  
~ Adults are free! Sponsorships available.

Big Jim Farms is a U-pick farm located in Albuquerque's North Valley.

Our mission is to offer visitors educational experiences that celebrate New Mexico's agricultural heritage and traditions.
