A LETTER FROM THE PRESIDENT

Welcome from the Georgia Sporting Clays Association

On behalf of the Georgia Sporting Clays Association, I want to personally invite you to partner with us for the 2027 NSCA Southeast Regional Championship, April 13-18, 2027, at Old Hudson Plantation in Sparta, Georgia.

This is more than a clay shooting event - it is a premier championship experience that brings together over 700 competitors from more than 30 states for six days of world-class competition, camaraderie, and Southern hospitality. Our regional draws some of the most dedicated shooters in the country, and the level of competition, sportmanship, and enthusiasm continues to grow each year.

Partnerships with organizations like yours are the foundation of our success. Your support helps us deliver an exceptional event, provide a first-class experience for competitors and families, and grow the sport we all love. In return, our sponsors receive strong visibility with a highly engaged and loyal audience that values quality, tradition, and excellence.

We would be honored to have you as part of this championship and look forward to building a partnership that delivers meaningful impact for your brand and our sport.

Thank you for your consideration and support.

Sincerely,

John Bush
President

Georgia Sporting Clays Association
