## Sponsorship Opportunities

### Join Us in Bringing Surfing to the Autism Community

For fifteen years, our dedicated team of Florida surfers and volunteers has been introducing individuals with Autism Spectrum Disorder (ASD) and related disabilities to the transformative power of surfing. **Our mission: unlocking the potential of children and adults with autism, building awareness and uniting communities through volunteerism.** Each year, we host Surf Festivals across Florida's coast, welcoming over 500 people per event including volunteers, participants, and family members. These festivals are supported by passionate volunteers, local businesses, and organizations like yours. Beyond our major events, we've expanded to offer chapters, smaller scaled sessions, in local Martin and St. Lucie County—giving locals in the area more opportunities to surf. Our work exists and thrives only through the generous support of sponsors, donations, and community partnerships.

### Ways to Sponsor Our Mission

By joining us, you're not just sponsoring an event; you're supporting a mission of inclusion, acceptance, and adventure for the ASD community. Together, we can continue to make a lasting impact. Explore the different sponsorship opportunities in this packet. Whether you choose to make a contribution for our surf festivals, local chapters, or select a custom donation amount that suits you, know that every dollar directly benefits our mission. We sincerely appreciate your support!
