

SAFETY PARTNERSHIPS

Our safety partnerships offer ongoing, customized support to help businesses maintain compliance, reduce risks, and foster a strong safety culture. Clients choose our programs because they provide expert guidance, hands-on training, and regular site assessments, all tailored to meet specific needs to stay OSHA-compliant while improving overall workplace safety.

\$3,000 /month

Premier Package

Full-scale safety partnership with extensive support, extensive consulting, and unlimited expert guidance.

- ✓ Annual Gap Assessment
- ✓ Quarterly Safety Training
- ✓ Monthly Site Safety Assessment
- ✓ 4 Days of Strategic Safety Consulting a Month
- ✓ OSHA Recordkeeping & Reporting
- ✓ Unlimited Phone/Email Support

\$5,000 /month

Hours of Strategic Safety Consulting go beyond regular site visits, offering clients extra flexibility to address their specific needs. These hours can be used throughout the month for tasks such as policy and procedure development, safety meetings, incident investigations, or any other critical safety initiatives. This allows us to provide tailored support, ensuring your safety programs are comprehensive, up-to-date, and aligned with your goals.
