- MS/GI Manual Shutters
- Gear AND Grill Shutters

- MS/SS PIPE LINE WELDING
- HDPE PIPE LINES
- BOILERS AND TANKS

**Thank you, and we look forward to working with you.**

# PRE-ENGINEERED BUILDINGS

## TECHNICAL SPECIFICATION

Our PEB's structures are buildings made by assembling pre-made steel components on-site. They are quick to build and can be used for many types of buildings like warehouses, factories, and sports facilities.

PEB structures are strong, durable, and resistant to natural disasters like earthquakes and fires. They are a cost-effective and efficient solution for building projects of different sizes and types.

# CONVENTIONAL STRUCTURES

We use modern technology and machinery to create strong steel structures consisting of vertical columns, horizontal beams, and trusses. These components are designed and fabricated off-site with precise specifications, and can be quickly assembled on-site using bolts or welding.

# MEZZANINE FLOORS

We use modern technology and a special raised floor to construct mezzanine floors. Mezzanines are great for businesses that need more space for storage, offices, or work areas. They're a cost-effective way to make the most of available space and increase a building's working area.

# WAREHOUSE ROOFING

We are highly engaged makes strong and durable warehouse sheds, godowns, storage buildings and cold storage warehouses. Our buildings are made with high-quality materials and advanced technology to protect your goods from damage and theft. We offer customized solutions to meet the specific needs of our clients and take pride in delivering high-quality products that last a long time.

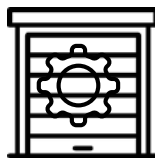

# ROLLING SHUTTERS

## OUR SERVICES SPECIFICATION

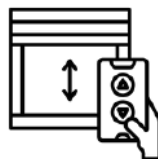

We use modern technology and a team of professionals to build high-strength rolling shutters. Our rolling shutters are designed to perform as a shield and protect against theft, damage, and even hurricanes. We provide MS & GI rolling shutters, automatic shutters, semi-automatic shutters, manual shutters, and remote shutters. We use high-quality materials to ensure that our shutters are strong and durable.

**MS/GI MANUAL  
OPERATED SHUTTERS**

**GEAR/GRILL OPERATED  
SHUTTERS**

**MOTORIZED/ REMOTE  
OPERATED SHUTTERS**

# MS/GI MANUAL SHUTTERS

## MANUAL SHUTTERS & MUCH MORE:

- Enhanced security
- Cost effective
- Durability
