The Bay Kids, LLC Use of Electronics and Technology

The Bay Kids, LLC uses electronic media and devices to enhance our educational programs. Please note that we do have parameters for the use of this technology.

Children between ages 6 weeks and two years old have zero screen time, while children two years and older have access to this technology via tablets, and laptops.

“Technology” includes educational games, videos, and music that enhance educational goals and interests of the students, through staff lesson plans.

Screen time is limited and monitored by our teachers
