Case No. 18-T-0604

RESPONSE BY PAMELA I. MAHONEY TO  
MOTION OF SOUTH FORK WIND LLC  
TO STRIKE ENTIRE TESTIMONY OF SIMON KINSELLA

I, Pamela I. Mahoney, am an intervening party in the above referenced proceeding.

On November 5, 2020, South Fork Wind LLC (formerly Deepwater Wind South Fork LLC) served a motion to strike the testimony of Simon Kinsella in its entirety.

On November 11, 2020, Administrative Law Judge Belsito invited (via email) other parties who “wish to respond to the Applicant’s motion ... may do so by close of business on November 16, 2020.” This is my response to Applicant’s Motion to Strike Testimony.

Mr. Kinsella has contributed to the record testimony that I have found to be extremely well researched, reliable, substantiated and publicly available. Mr. Kinsella has introduced facts into the proceeding that otherwise would not have been included and must be considered. His testimony is factual, informative, and helpful. I believe he is knowledgeable about the subject

matter of his testimony.

Mr. Kinsella should be treated in the same manner as all other parties in this proceeding and be “afforded reasonable opportunity to present evidence and examine and cross-examine witnesses.” [16 NYCRR § 4.5(a)]

For these reasons, I respectfully request that the Motion by South Fork Wind LLC to Strike Testimony of Simon Kinsella be denied in full.

Respectfully submitted,

Pamela I. Mahoney
