

The South Fork needs new power sources

In 2015, PSEG ran a technology-neutral competitive solicitation seeking new energy sources for the South Fork

(Page 500 Deepwater Wind South Fork LLC (now, South Fork Wind LLC), Presentation to the Wainscott Advisory Committee ("WCAC") on August 5, 2017 (slide no. 5). (Note by Si Kinsella, May 10, 2023)
