# later alligator

**Are you ready to try a new restaurant  
that's sure to become your absolute  
favorite?**

Since my first visit, I relish the chance to go back to this eatery, for the taste-tempting original dishes and local vintage goods atmosphere.

I'm sure you would love it, and make it your #1 choice too, let me tell you why...

This one of a kind cafe has uniqueness and charm, filled with relics and modern touches. Exposed brick walls, elaborate windows and a 1800's saloon bar is just a bit of what they have made functional for this quirky cafe'. Historical architecture and vintage art and goods from the hometown hang about.. What an fun, interesting place this is!

Oh, did I mention the beautiful landscaped patio? It is covered by an umbrella of dogwood trees where you can catch peeks of sunshine or stars thru the limbs. Feeling the breeze while you read the menu is so relaxing....ready yet?

Now let me tell you about their specialty.. Crepes! You may be thinking it's odd, they they are so good, filled with meats or fish, cheeses, vegetables, and even desert combinations. Some of the names may boggle you, but the taste will wow you!

My favorites are Over the Edge Tacos filled with sweet potatoes and feta, Blue Bayou is braising with beef and Swiss, and the American in Paris with buttery Brie. But now it's your turn to find yours! Wonderful wraps and signature soups can tempt you, along with a wonderful wine, beer and coffee bar... Are you hungry yet??

Let me also tell you about the signature staff that makes your experience top notch. These ladies and gentleman are friendly, attentive, and engaging to ensure you have a memorable meal. You will become a friend after the first visit, linger longer and return with a smile.

One more thing to lure you, let me add that Later Alligator has been featured in WV Living magazine and also awarded one of the Most Unique Eateries People's Choice Awards. You have to give it a try!!

It's signature mascot, the Gator sporting red Converse tennis shoes, is reflective of the visionary owner who passionately works to bring people and food together. The name itself gives you the promise that you will be

back, "Later Alligator", you follow with "After while, Crocodile".

I'm sure you can't wait to experience this fabulous restaurant for

yourself and put it on the top of your list. So, let's do lunch tomorrow, my treat ... I'll pick you up at noon!

For the Love of Food, Dena
