

Est. 1996

Some items from this menu require advance notice of two or three days. Please contact us as soon as possible to ensure that we can accommodate your requests and provide you with the freshest product. We can often accommodate same day requests for whatever soups and quiche are on hand, coffee, tea, and usually salads, salad dressings and specialties by the pound. Sometimes we will have an extra dessert on hand, so if you are in a pinch, it doesn't hurt to ask.

If possible, with large orders, please contact us from 9-11 am or 3-4 pm. We would like to give you our full attention in order to provide the best possible service. This is often difficult to do over the lunch hours. We are excited to be offering these expanded menu options! As always, thank you for your support!
