The picture wall is made up of 48"X48" sections divided into 12"X12" squares that can be configured however the donor wants. Pictures of race cars, snowmobiles or any other vehicle that Dick had raced can be displayed. There can be other vehicles as well as other people with Dick shown with the featured vehicle driven by Dick. A description of the vehicle could include a history of the vehicles in the picture including dates if possible. Your words of dedication and remembrance will also appear with the picture you sponsor. The minimum donation for each 12"X12" picture is \$500. Additional space can be obtained at that \$500 per square foot rate. For example to sponsor 12"x24" picture would require a \$1,000 donation. This rate can be applied to any version up to and including the entire 48"X48" picture for a donation of \$8,000. Donors can have any combination of squares.
