

IMPORTANT CYBER CRIME NOTICE

A significant number of UK businesses have been affected by cybercrime with fraudsters targeting property buyers, sellers and their solicitors, often by way of interception of emails to steal client funds. **Please note that our bank account details WILL NOT change during the course of a transaction and we will NEVER notify you of any change to our bank details by email. Please do not send your bank details to us by email. You should always check our account details with us in person before sending funds to us.**

If you are in any way uncertain, or concerned about any communication received from us, then please telephone your solicitor or speak to one of our Partners immediately. Please do not respond to any such communication by email, or take any action until you have verified the authenticity **by speaking with us. We will not accept responsibility if you transfer money into an incorrect bank account.**
