Our Service, Fee Scale and Timescales

In addition to providing quality legal advice and client-focused services, Rasiah & Co Solicitors offer clarity and transparency right from the beginning of the conveyancing process. We believe that it is important to be upfront about our fees from the outset. We set out below an estimated fee scale, together with brief details of the service included, as well as estimated timescales based on the matter type.

The estimated fee scale provided below is based on a standard, straightforward transaction and does not take into account any complications or delays in the matter. The fee scale assumes that:

- 1) no unforeseen matters arise such as (but not limited to):
 - insufficient or missing documents
 - defective title
 - matters arising from searches or replies to enquiries relating to the property
 - the need for additional documents to be prepared/approved ancillary to the main transaction
 - the requirement for indemnity insurance policies. Additional fees may apply if indemnity insurance policies are required
- 2) the transaction concludes in a timely manner and there is no delay from third parties
- 3) the property is not a new build. If your property is a new build, please contact us for a bespoke quote
- 4) you are not purchasing pursuant to any help to buy scheme, shared equity scheme or other similar scheme. If you are purchasing the property pursuant to any such scheme, please contact us for a bespoke quote
- 5) you are not selling a shared equity lease, or a lease granted pursuant to any other scheme. If you are selling a shared equity lease or a lease granted pursuant to any other scheme, please contact us for a bespoke quote
- 6) In the case of the sale or purchase of a leasehold property, there is no transfer of a share of the freehold involved. If the matter will involve the transfer of a share of the freehold, please contact us for a bespoke quote
- 7) In the case of the sale or purchase of a leasehold property, the lease is not required to be extended. If the lease is required to be extended, please contact us for a bespoke quote
- 8) in the case of the purchase of a leasehold property, it will involve an assignment of the existing lease rather than the grant of a new lease. If the purchase will involve the grant of a new lease, please contact us for a bespoke quote
- 9) the purchaser is not obtaining a mortgage where the lender is separately represented. If the lender will be separately represented, please contact us for a bespoke quote
- 10) in the case of a sale, there is only one registered mortgage that is required to be redeemed on completion. If you require additional mortgages to be redeemed on or prior to completion, please contact us for a bespoke quote
- 11) in the case of a re-mortgage the mortgage will be registered as a first legal charge against the property rather than as a subsequent legal charge. If the mortgage will be registered as a subsequent legal charge, please contact us for a bespoke quote

- 12) the seller or purchaser is not a company. If the seller or purchaser is a company, please contact us for a bespoke quote
- 13) any mortgage is obtained via a lender that is signed up to the UK Finance Mortgage Lenders' Handbook ("Handbook"). If your lender is not signed up to the Handbook, please contact us for a bespoke quote

Please note that the above list is not exhaustive and should any of the above matters (or other non-specified matters) apply, then additional fees may apply.
