4404 West 20th Street, Grove, OK 74344

8/3 10am-noon National Watermelon Day

Join us in the Picnic Pavilion to enjoy a wedge of watermelon, take part in wacky water relays, and perfect your seed spitting skills! Museum admission not required.

8/10 10am-noon National S'more Day

S'mores date back to the 1920s. Perhaps they got their name because young kids chanted "gimme some more!" after eating one. Celebrate National S'more Day with a s'more scavenger hunt. Once you're done, go to the Visitor Center for your reward!

8/17 10am-2pm Honey Bee Day

Join us in the Natural History Room on National Honey Bee Day to learn about the life of bees and make a bee-related craft.

8/24 10am-2pm Slime is of the Essence

Flubber, oobleck and floam—it's all slime to us! Are you brave enough to put your hands in different types of goo? Experience these textures during your visit, and take home some flubber! Incl. with admission.

8/31 10am-2pm Labor Day Activities

Celebrate Labor Day at Har-Ber Village. We'll have community worker puppets, occupation puzzles and games, coloring books, and more! Included with admission.
