

Huntington Farms Homeowners Association

Privacy Policy

Updated 04/21/2024

Personal Information

We collect information you choose to provide such as your e-mail or phone number. We may collect non-personal information such as browser type or operating system to administer and manage your PayHOA account. We may use cookies or other internet technologies to manage our website PayHOA or other HOA management programs. We do not use these technologies to collect or store personal information.

Uses

We use personal information to provide you with PayHOA, manage your account, and offer other services if a need should arise in the future. Your information will never be sold, and we do not share your information with any other person or entity, except for PayHOA, the homeowner's association, and representatives of the same. We will not otherwise share your information unless we have asked for and obtained your explicit consent. If you do not provide your consent, we will not share your information. If we temporarily provide personal information to companies which perform services for us, we require those companies to protect the information in the same manner as we do. These companies, if any, cannot use your personal information for any purpose other than to provide it to PayHOA.

Your Rights and Choices

You have the right to have a copy of the personal information you provide and to correct or update your personal information. You may request to remove your information from our programs by emailing admin@hf-hoa.com. Please note that by removing your email address from PayHOA, you are relinquishing the ability to receive any communications, access to your statements, invoices, or other provided services through PayHOA or other electronic platforms. Your email is your username and without it you will not be able to log in or use PayHOA.

Important Information

PayHOA and Huntington Farms Homeowners Association are committed to obtaining a fair resolution of any complaint or concern about privacy. PayHOA complies with data protection laws and cooperates with data protection authorities if they believe a privacy problem has occurred. To view PayHOA's privacy policy please [click here](#).
