

### Happy 25<sup>th</sup> Anniversary Trails End

The trees are still swaying, dancing to the wind  
A dance they do in the reverence to the light, filtering in  
The black bears still once and a while, meander on by, bringing shouts of joy from kids, who try  
hard not to cry  
You can still see the deer roam the forest through  
Searching for that fallen branch with a leaf that's new  
The park is still alive with creatures, be they large or small  
Living under its canopies, its rocks or swimming in it's falls  
Mothers and kids still search for salamanders, after the rain is gone  
Still holding hands, down winding roads, all keeping safe from harm  
The clubhouse is still serving families, as they go there to meet  
Whether it's for dancing, listening to the DJ, or just going there to eat  
The swim team is still thriving, the team spirit is still hard to beat  
Trails End now hosts the "Finals", lets all go watch the meet  
There is still softball, handball, basketball whatever you like  
There's the pool, the playground, and the gameroom  
You can get there if you like  
There are still movies, bowling, roller-skating, Costa's and much more  
Just check the "Happenings", don't be late and head out your trailer door  
And if you desire to worship at the end of your week  
All are welcome at the Chapel, come find the Lord you seek  
Trails End is still a wonderful place, a place of gifts to share and memories to store  
25 years have passed, some of us have been lucky enough to have given these gifts to our  
children, our grandchildren, and some their great grandchildren  
Could we ask for more!
