

HAPPY ANNIVERSARY

Betty and Kenny our congratulations to you both
But there's a few things we have to say before we start to toast
We've gathered here together, your children family and friends
All sharing special memories of the great couple you have been
Twenty-five years ago many of us were at your side
It seems just like yesterday, you were a handsome groom and blushing bride
Life is a collection of time, made of moments, days and years
You enjoyed it all to the fullest, never blinded by the tears
We wish you both many more years of happiness for this celebration is only twenty-five years r
So may God bless you both, but before the fond adieu
Just look ahead to the future, grandchildren and growing gracefully old
Remember as we party at your Silver
You're only halfway to the Gold
