MSRP/MAP Pricing

All Infinite Health Labs products have a suggested retail price (MSRP) and MAP pricing (lowest price you can sell product for). Retailers retain the right to charge above the MAP and MSRP; however, they may not charge less than the MAP price.

PAYMENT METHODS/INVOICING

We currently accept the following payment methods: Visa, MasterCard, American Express and Discover as well as online payment through Quickbooks or written check. Payment method is based on history and relationship with accounts; however, all new accounts will be charged 50% at the time of ordering and then the remaining amount at the time of shipment by credit card or online payment option until relationship is further established.

OVER DUE ACCOUNTS

Should terms be extended, accounts will be subject to an interest charge of 2% of the amount of the entire invoice beginning 30 days after the invoice is due and increasing by 2% every 15 days thereafter. Terms will be reverted to pre-payment if account is overdue more than twice in a fiscal year. Infinite Health Labs retains the right to terminate any delivery or suspend further deliveries in the event the buyer's financial condition becomes unsatisfactory. All shipping charges will be added to the invoice for each PO.

SHIPPING/HANDLING

We offer **Free Shipping** over \$200 worth of product (some restrictions may apply). Our standard contracted shipping carrier is FedEx for wholesale orders. We use FedEx Ground shipping, unless the buyer specifies/requests another mode of shipping (additional charges may apply). Other carriers, such as the USPS or UPS can be used on request. The buyer is responsible for all shipping charges. Please note... we DO NOT add any additional "handling charge". You will be billed ONLY the actual shipping cost.

Buyer is also responsible for added International shipping charges if faster turnaround time is requested. This charge varies due to product and is discussed upon ordering.

NOTICE OF DEFECTS/RETURNS

The Buyer must make any claims of defects, including but not limited to those related to shortages, quality, or specification, within the first 7 days after the receipt of merchandise. The Seller cannot be responsible for shortages when shipments are directed to a third party. It is the responsibility of Buyer to inspect upon receipt, that all merchandise delivered matches its order.

Shortages: In the event of a product shortage, Infinite Health Labs will give the Buyer the option to either have the missing product shipped to them at-once or to have the amount of the product credited to their account.

Damaged Products: In the event of damaged products, the Buyer is to take a picture of the product and e-mail it to one of our team members at ***infinitehealthlabsok@gmail.com***. As soon as the product is received, credit will be issued or we will send replacement product as reimbursement.
