SUMMARY

Dr. Aaron Martin is a recognized, board-certified, Chiropractic Physician, Chiropractic Orthopedist, Neuromusculoskeletal Medicine Specialist, Certified Independent Chiropractic Examiner, medical-legal consultant, chiropractic executive, educator and expert witness and Sports Medicine Physician. He also has extensive experience as a medical-legal consultant, chiropractic medical examiner, and expert witness.

Dr. Martin offers impartial insights, evaluations, case merit reviews, research, depositions, and testimony for plaintiff and defense in civil, federal, and criminal legal proceedings. His opinions are based on extensive clinical and professional experience, scientific principles, analytics, academic expertise, and a thorough understanding of the medical-legal aspects of chiropractic orthopedics, neuromusculoskeletal medicine and sports medicine. His track record demonstrates a commitment to research-based methodologies, ensuring his conclusions withstand cross-examination and meet the highest standards of accuracy.

Dr. Martin has been providing expert medical opinions for 8+ yrs.; and he has participated in 35+ legal proceedings. He has also conducted hundreds of chiropractic medical examination over the past 6 years.

Dr. Martin has ability to bridge the gap between chiropractic orthopedics, neuromusculoskeletal medicine, sports medicine and law. His commitment to staying at the forefront of medical advancements positions him as a trusted resource for legal teams navigating the complexities of medical-legal cases.
