Dear Players, Coaches, Parents, Families, and Friends,

Welcome to the 41st Annual Invitational Basketball Tournament hosted by the Sacramento Rebels! This year, we are thrilled to have over 66 teams from Sacramento and the Bay Area competing across thirteen divisions. For 41 years, we have proudly been an integral part of this basketball community, and we owe our success to all the Sacramento Rebels families and volunteers who have supported us throughout the years. We aim to make this year's tournament truly special. Join us for the family ice cream social and dance party on Saturday evening at the Doubletree Hotel, Sacramento.

Our mission is to provide youth with opportunities to compete while fostering friendships both on and off the court. We encourage players and spectators alike to exhibit good sportsmanship. Let's maintain a positive atmosphere and enjoy an exciting weekend of basketball.

We also extend our gratitude to our tournament committee volunteers for their countless hours of planning and dedication, as well as to our Sacramento Rebels families for their unwavering support. This tournament would not be possible without you. Thank you for being a vital part of our community!

CLASS OF 2025

1. my most memorable moment would be my first tournament in the bay where me and some of my teammates went to the Dave and Busters social and stayed in the same hotel room, where we played games and just got to know each other more

2. i will mainly miss playing for such a cool organization and being apart of something bigger than just basketball. the sense of community that asian ball creates is such a comforting feeling that i will miss a lot, and also the socials and the food at tournaments of course 🍕

3. rebels has taught me to balance what i love doing most, you can't succeed in basketball if you don't also have fun while doing it. before rebels, i took basketball so serious all the time that at some points, it just wasn't enjoyable anymore. but during my time being a rebel, ive learned to have fun with the people around me, while also being competitive in the sport i love

The most memorable moment in Rebels was when we all stayed in a hotel together and played games last year.

I'll miss the younger teams the most because we all hangout, bond together, and watch each others games.

Rebels has taught me that it doesn't matter about winning or losing but about building friendships with your teammates.

Tialah Laupua #30

My most memorable moment has been being welcomed into the Rebels family and making new friends. The minute I walked into the gym and had my first practice with the team I felt like I had known them all my life. I will miss the friends I made, all the laughs and smiles we shared on the court even when we were losing it was better because it was with them. Rebels has taught me that no matter where you come from, how your background looks or who you know you will ALWAYS be treated the same and loved like you truly are apart of their family. Even though I only got to experience 1 season with rebels I will always love and appreciate this team and what they have taught me this season.

MEMORIES

JPres Jefferson #0

Some of my favorite memories playing with the Rebels organization was traveling to places like Reno, Los Angeles, and Las Vegas and bonding with teammates after games. I enjoyed going to Reno my first year, playing one of my first tournaments with the team and being able to win the championship. I also enjoyed going to Los Angeles and Las Vegas, getting second place and being very competitive every game. I enjoyed team events after games, whether it was going out to eat or doing team activities like bowling or golfing. I would like to thank Coach Jim, Coach Merjo, and Coach Ari for being so supportive throughout my entire Rebels experience. Thank you to Coach Jim for being a great coach, giving us team backpacks, and also writing a letter of recommendation to help me apply for scholarships. Thank you to Coach Merjo for always having confidence in me. Thank you to Coach Ari for always pushing us to work hard and to be our best when we are playing down. Thank you to all the parents for always being there for us and taking the time to make sure that we have a great experience. Thank you to my family for all the hard work they've put in to give us the best experience possible and always being there to support me through everything.

Thank you to my teammates for all the fun memories and for all the championships we won. I've had a great experience and am thankful to have all of you as my teammates.

First of all, I would like to thank my parents for getting me to where I am today. They have watched me grow up and shaped me into the young man I am becoming. Without them I wouldn't have been able to have these opportunities and to play basketball that has brought me so much joy in my life.

I would also like to thank the coaching staff for always believing in us boys, pushing us to always get better and for the countless hours spent working with us. Reflecting on my time as a Rebel, I have so many great memories with our team. One memory that stands out is the time I drove my teammates down to Oakland to play billiards. Our parents weren't too thrilled about it the next day, but we had an unforgettable time.

What I will miss most about our Rebels team is traveling to Bay Area tournaments and getting to explore new places and foods together. As I graduate, I have learned to cherish the time spent with my team because you never realize how fast it flies. In the end, basketball is secondary to the memories and experiences that make it all worthwhile.

ETHAN NAVARRA #3

As I move on a new and exciting chapter in my life, I will forever cherish the memories of our tournament in Las Vegas, where some of my teammates and I enjoyed zip-lining, explored the strip, and played pool together. I will truly miss our bonding moments and the dinner gatherings, whether at local tournaments or while traveling. Being a Rebel has taught me to savor my time both on and off the court and to prioritize moments with my family.

I will always be thankful to the Rebels Organization and my coaches for the chance to play the game I love. I extend my gratitude to my teammates and their parents for their unwavering support throughout this journey. Most importantly, I am deeply appreciative of my family for being my biggest fans and standing by me through the highs and lows of basketball. For all this, I am eternally grateful.

"Once a Rebel, always a Rebel!"

Jason Raga #4

My most memorable moment was the day after my injury. Everybody was in good spirits and welcomed me back with joy. I realized how much of a family this Rebels team is. I will miss my teammates the most because we were able to create a special bond that I'll never forget.

Rebels taught me to enjoy life with the people around me. While playing the sport I love, I learned that there's more to life than just basketball and how being around your own culture can help shape who you are.

My most memorable experience playing for the Rebels has to be the Las Vegas tournament. That was my favorite tournament because I enjoyed walking the strip with my boys, zip lining, golf, exploring, and eating amazing food with everyone.

The aspect I will miss most about Rebels is going to be spending time with my family and friends. I love going out together as a team having a great time together whether it be eating out, exploring the city, or relaxing in the hotel. I will never take these moments for granted as they've created some of the most cherished memories.

Looking back, I have learned so many valuable lessons both off and on the court. Thank you to our coaches (Jim, Merjo, and Ari) for your love, time, and sacrifice while pouring into our lives. Rebels taught me the importance of building relationships with others. Not only has the team built strong bonds together, but we've also built lifelong friendships with one another. Aside from the wins and losses, I will forever cherish the camaraderie that made every moment special.

Lastly to my mom and dad. Thank you for your support, love, and sacrifice to me the past six years as I developed into a better player of the game. I AM BLESSED, I LOVE YOU BOTH!!

I want to express my deepest gratitude to the Rebels Basketball organization for all the opportunities and unforgettable experiences over the years. Joining late in my freshman year, I was welcomed into a supportive and competitive community that quickly become like family. From battling on the court with my teammates to bonding at socials and exploring the cities we traveled to; every moment was special.

A huge thank you to Coach Jim, Coach Merjo and Coach Ari for their hard work and encouragement, especially during those tough first games of tournaments when we needed the extra push. Rebels will always hold a special place in my heart because of the memories I made with my team. While I miss competing with these boys, what I will miss most is our unwavering dedication to find a place to play pool no matter where we were. Some of my favorite moments were exploring the Vegas strip and wandering through the Bay Area cities – somehow always end up on the outskirts.

Thank you, Rebels, for everything!

One of my fondest memories as a Rebel is dining out with my team after every tournament game. No matter the outcome, those gatherings were filled with laughter, countless stories, and a bond that made us more than just teammates. During the 2023 season in the Bay, our entire Rebels family gathered in the hotel lobby to watch basketball game, making us the liveliest crowd around. It was warm and fun !! This is just one of the moments that reminded me that basketball is not solely about the game; it's about the amazing people who stand beside me.

To my teammates and coaches- Jim, Merjo, Ariana , I sincerely appreciate your encouragement and support, which made every experience—both on and off the court—truly unforgettable. From the tough practices to the big wins, I wouldn't trade this journey for anything.

To my family: your unwavering love and support have meant the world to me. Whether you were cheering from the stands (Mom) or uplifting me through life's challenges (Dad & my sister Megan), you have always been my biggest supporters. I wouldn't be where I am today without you.

This chapter of my life has been extraordinary because of all of you, and I will treasure these memories with me forever.

ARIK SANTOS #9

My most memorable/favorite moment in Rebels is the time when we went to play in the LA Dodgers tournament in Vegas. Every aspect of that trip was so fun. From going to a Jhené Aiko concert with some of my teammates, eating with all of our families, watching the USA basketball gold medal game at BJ's, and having a good time with my Rebels brothers. Having that tournament out of state allowed us to create a stronger bond and fun memories that we will for sure remember.

What I will miss about Rebels is the people I got to meet. I remember trying out for rebels and only knowing two people. This organization has allowed me to be myself and to meet new people who share common interests as me. I have made life long friendships through Rebels that I will never forget. I will also miss the socials at tournaments where we just ate and danced and didn't worry about basketball or school that whole night. It was just so fun making memories with people we just met that night or from different tournaments. It didn't matter if we were playing the opposing team for black shirts the next day. What mattered was we had a good time with one another creating memories.

Looking back at my experience with Rebels, it has taught me to work hard, have confidence, leadership skills, and helped me grow as a player and a person. What Rebels means to me is a community that is so heartfelt, welcoming, and especially loud and supportive parents. My experience with the Rebels and the organization as a whole will always play a significant role in who I am today. I truly don't know what I would do without having understanding coaches, DI supportive parents, and the best teammates who I am grateful to call my brothers. Lastly and most importantly, family means everything. Yes, we may not be blood related, but throughout the years we have experienced the ups and downs as a team, whether it'd be injuries, losses, or even having to play an early morning game the next day. We have learned to care for one another which is something bigger than basketball.

Family is everything.

I want to thank Coach Merjo and Coach Ari for working hard and all the hard work they put in to improve our basketball skills. I want to give a big thank you to Coach Jim. Coach Jim has been an amazing coach who truly cares for us like we are his sons. Over the years, he has become a father figure to us and teaches us lessons that mean more than basketball. I have nothing but respect and gratitude for our coaches. We appreciate you guys more than you know. To our amazing parents, I thank you for all the driving, patience, and money spent to watch us play basketball and to have fun. I truly think there wouldn't be a team without you guys. We love and appreciate you all! To the organization, thank you for being a group of people who are so outgoing and engaging. I appreciate all the memories I have made throughout my years of being a Rebel. This organization has played a crucial role in who I am today. Once a Rebel, always a Rebel.

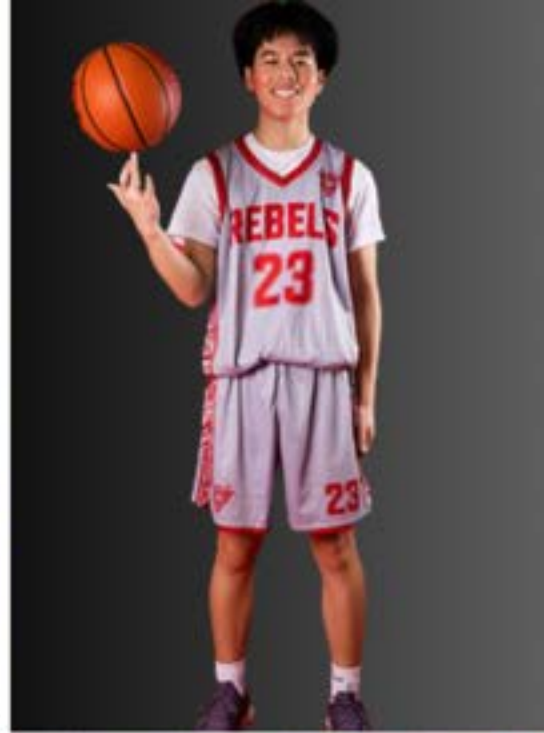

Elijah Cunanan

I'm thankful for all the friendships and connections I've made all throughout playing basketball and especially through the Rebels family. The guys on this team are all special and I hope our friendships last a lifetime. Meeting people on other teams throughout the years has been fun, specifically to the guys on the 2025 Zebras team. Asian ball will always be a fun memory to look back on because no matter what was going on I had fun on the court and got to spend time with the ones around me. I would also like to thank everyone within the Rebels organization. My family was always so supportive and came to watch all my games and were there for me, especially my grandparents. The families of my teammates deserve all of the flowers for all the time and dedication they put into our team to make everything go as well as it did. Coach Jim, Coach Merjo, and Coach Ari put their all into our team and I'll always appreciate everything they did for us. The Presidents, Mrs. Young and Mr. Lee always went above and beyond to make sure we are able to play in the tournaments and I would like to thank you so much for giving us these opportunities.

Trevor Lee #23

My most memorable experience with Rebels was traveling to Las Vegas for a tournament in the summer of 2024. This moment stands out for me because it marked my first trip to Vegas, and I got to share it with all my teammates.

One of the things I will miss the most about being part of Rebels is the travel for tournaments and spending time with my teammates, as well as players from other teams. Those tournaments were the highlight of my experience on this team, and filled with so much fun. We engaged in a variety of activities, such as playing pool, golfing, zip lining and swimming alongside my teammates; and the connections we formed made it truly unforgettable.

Reflecting on my time with the Rebels, I've learned invaluable lessons about leadership, dedication, and responsibility. Being a member of this organization has truly meant a great deal to me, and I will always cherish the memories I created while part of the team.

2. All game rosters must conform to the official tournament roster as approved by the Executive Board. Any changes to tournament team rosters should have been submitted and approved by the Executive Board prior to the tournament date.
3. Players not listed on the official tournament roster will not be allowed to play. Exceptions may be made on a case-by-case basis for team hardship if approved by the Executive Board.
4. Players are allowed to play for only one team and can be listed on only one roster. Failure to comply can lead to disqualification of the player from the tournament. Any exceptions must be approved by the Executive Board.
5. Each team must submit a Player Medical & Liability Release Agreement Form to the Gym Supervisor of the respective divisions signed by a parent or legal guardian of each tournament player. The waiver form must be submitted at least fifteen (15) minutes prior to the player's first game of the tournament before a player is eligible to play.
6. Each team must supply the official scorekeeper with the names and jersey numbers of team members no later than ten (10) minutes prior to the game.

HOME TEAM

1. Top of bracket unless otherwise specified.
2. Choice of bench.

POOL STANDINGS DETERMINED BY:

1. Best WIN/LOSS record.
2. Pool Play Tiebreakers (in the event there are teams with the same record):
 - a. Total quarters won in first two games (or all three games in divisions with only 4 teams), not including any overtime play. If a tie remains, then:
 - b. Head-to-head: In the event that quarters won does not settle the tiebreaker and two teams are still tied, the head-to-head result between games played against each other will determine the higher seeding. If a tie remains, then:
 - c. Total Point Differential: The largest difference between winner and loser score - plus (+) if winner and minus (-) if loser. There will be a maximum value of +/- 15, regardless of the final score. Therefore, there will be no tiebreaker advantage whether winning by 15 points or 50 points.

- d. Coin flip. If three (3) teams are tied in won/lost record, total quarters won, and Total Point Differential, then:
- Coin flip: Three (3) team coin flip, odd coin out goes to championship. (i.e., simultaneously flip 3 coins, the team with a different result from the other two goes to championship).
 - Head-to-head between the two (2) tied teams will determine who plays for third place and consolation.

ESTATE PLANNING PROTECTING WHAT MATTERS MOST TO YOU

Trust in our expertise to navigate the complexities of estate planning and secure a brighter future for you and your family.

What is Estate Planning?

Estate planning involves preparing for the management of your financial affairs in the event of your incapacitation or death.

Why is Estate Planning Important?

- Helps avoid the lengthy and costly probate process with the Court system. By providing clear direction regarding medical, legal and financial issues in the event of your disability or death, you relieve family members of uncertainty. Documents such as trusts, and Wills help eliminate disputes over your estate by letting
- everyone know who gets what. Outlines your final wishes, such as how to disburse your assets after your death and who should care
- for your minor children or other dependents.
